difference if it goes down to zero or 20 below.

This great slaughter sale will still go on. Every dollar's worth of Clothing marked down, some at cost; large lots away below cost. I shall experience a big loss in this great mark down, but the loss might be more should I keep the stock until next winter. I do not propose to keep it. The consumer will get the benefit. If the weather gets cold the goods will go so much the faster. My stock consists of gorgeous custom-made Overcoats; made in my own shop from the latest English fabrics, lined with Fine Worsted and Silk Serge, Satin Sleeves. Every Overcoat is worth from \$20 to \$25, and is equal to custom work at \$35 to \$40. If any merchant tailor can tell the difference I will present the Overcoat free of charge. I have hundreds of Fur and Plain Beavers, Corkscrew, Melton and Elysian Overcoats. Men's and Boys' Suits at proportionable reduction.
