EAST TORONTO NOTES. During Exhibition the King-street cars will run no further east than the Woodbine. The passenger companies between this point and Balmans-avenue will be looked after by a "stubb" car, leaving Balmans-avenue every 15 minutes.

Work on Queen Victoria. More-street and Palmerston-avenue schools is not yet completed. Consequently they have not yet been opened. Queen Victoria school will not be completed till Sept. 16, while the other two will probably be opened next Monday. As it would have taken a few days to secure temporary accommodation for the pupils of these schools, it was not deemed necessary by the board to do so for so short a period.

The Mixing of Wheat. A special meeting of the grain section of the Board of Trade will be held to-day at 12:45 p.m., to consider a communication received from Ottawa, re the mixing of scoured wheat with No. 1 Manitoba hard. The Commission has been requested to consider the enlargement of Palmerston-avenue and Jordan-street, and to consider the enlargement of Palmerston-avenue and Jordan-street, and to consider the enlargement of Palmerston-avenue and Jordan-street.

Murray's Big Shipment. Messrs. W. A. Murray & Co., yesterday encumbered the whole of the south side of King-street, sidewalk east of Yonge and in front of their establishment with packages of newly-imported fall goods. Messrs. Murray & Co. have imported this year a large quantity of goods, and this consignment is the biggest and earliest shipment the firm have ever received.

Changes in Car Routes. To relieve the Street Railway traffic in King-street during the Exhibition, Bathurst-street cars will not come down from corner Bathurst and King-streets. Winchester cars will run down Yonge-street instead of along King-street westward.

Another Magistrate For East Toronto. The question of appointing another magistrate for this district is about to be urged on the Attorney-General. Some months ago a petition signed by 70 of the residents of the neighborhood, asking that County Constable J. W. Potter be appointed to the position, was handed in to him, but for some reason the matter was then allowed to drop.

They Never Fall—Mr. S. M. Baughner, Langton, writes: "For about two years I was troubled with Inward Piles, but by using Parrot's Pills I was completely cured, and although four years have elapsed since I used Parrot's Pills, they are still as effective as ever. I have since had several attacks of Hemorrhoids, but they were completely cured by Parrot's Pills. I have since had several attacks of Hemorrhoids, but they were completely cured by Parrot's Pills."
