Toronto, Feb. 19.—Trade was inclined to be dull at the Western cattle market this morning, despite the fact that the general run was of rather better quality. In fact several dealers in common cattle could not buy the class they wanted. This condition has not existed on the market for some weeks.

Receipts were 85 cars, containing 1,400 cattle, 482 sheep and lambs, 150 hogs and 60 calves.

Hogs were quoted at an advance of 10c per cwt. Grain-fed lambs were up 25c and common lambs were off a shade. Ewes were unchanged and so were calves.

Butcher cattle—Quality of this class, as previously noted, was generally very good, and several lots brought all the way from \$4.70 to \$4.85, the latter price being paid for fancy stuff.

Export cattle—The market was quiet, but the previous high price of \$5.25 was well maintained for good stuff.

WEAKENED BY LA GRIFFE.

Health and Strength Regained Through Dr. Williams' Pink Pills.

The after effects of la-grippe are more serious than the disease itself. Its victims are left low spirited and depressed, they are tortured with headaches and backaches; fever and chills. It leaves the sufferer an easy prey to bronchitis, pneumonia, rheumatism and often that most dreaded of all diseases, consumption. For the after effects of la-grippe there is absolutely no medicine can equal Dr. Williams' Pink Pills. Every dose helps make new, rich, red blood that drives disease from the system, and makes weak dependent men and women bright, cheerful and strong. Miss Eugene Donaldson, of St. Jerome, Que., found a cure through these pills after other remedies had failed to help her. She says: "I took la grippe and did not seem able to shake it off. It developed into bronchitis, I coughed day and night and grew so weak that I could hardly move about. I tried remedy after remedy but as nothing seemed to help me I began to dread that consumption was developing and that my case was incurable. A friend urged me to try Dr. Williams' Pink Pills and following that advice I got a supply. For two months I took the pills faithfully, following the directions given for their use. I am thankful I did so for they fully restored my strength and I have since enjoyed perfect health. I will always advise sick and ailing people to give Dr. Williams' Pink Pills a trial for I firmly believe that they will find great benefit from their use."

Rich red blood is the one thing needed to maintain health and strength. Dr. Williams' Pink Pills actually make rich, red blood. That is the reason of their great popularity in every country in the world. That is why they cure anaemia, general weakness, rheumatism, neuralgia, indigestion, St. Vitus dance, partial paralysis and the ills of girlhood and womanhood, with all its distressing headaches, sideaches and backaches. See that you get the genuine pills with the full name "Dr. Williams' Pink Pills for Pale People" on the wrapper around each box. Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50. Write to Dr. Williams' Medicine Co., Brockville, Ont.

Good Price for Western Farm.

Goderich, Feb. 15.—A section of land near Somerset, Manitoba, comprising 640 acres, being part of the Manitoba estate of the late Rev. James Currie, of Goderich, sold last week for \$7,400. As the land only

cost three hundred dollars a few years ago, and was quite unimproved, it would appear that the recent cold weather has had no bad effect on the boom in Manitoba real estate.
