

## S. John Baptising Our Lord in the River Jordan.

A WORD TO ALL MEN.

**O**UR blessed Lord came to S. John to be baptised of him. The All Holy! Who needed no washing in the waters of repentance! Why, then, did He do this? Surely to teach men that no ordinance

of our religion is to be neglected or deemed unnecessary. We may not choose how much or how little we will do as Christians. Look in your Bibles. 'He that believeth and is baptised shall be saved.'
