Minard's Liniment cures Distemper

MISCELLANEOUS.

A chemical company has ordered a large generator for use in the manufacture of bleaching powders, the amperage to be equal to affording sufficient heat to decompose common salt, from which chlorine is obtained.

Hundreds of people write, "It is impossible to describe the good Hood's Sarsaparilla has done me." It will be of equal help to you.

Miss Elizabeth Marbury, of New York, is a very successful dramatic agent, and is recognized by managers as a business woman of rare judgment. Miss Marbury looks upon herself as a mutual friend of authors and theatrical managers. Among her clients are Sardou, Mrs. Burnett, M. Carre and Haddon Chambers.

SUMMER WEAKNESS

And that tired feeling, loss of appetite and nervous prostration, are driven away by Hood's Sarsaparilla, like mist before the morning sun. To realize the benefit of this great medicine, give it a trial, and you will join the army of enthusiastic admirers of Hood's Sarsaparilla.

Sure, efficient, easy—Hood's Pills. They should be in every traveller's grip, and every family medicine chest. 25c. a box.

The oldest church in Europe is St. Martin's cathedral, Canterbury. It has a sort of rival in St. Mary-in-the-castle, Dover, which is supposed to have been erected by British workmen in the fourth century.

MRS. ALVA YOUNG,

Of Watford, Ont., writes, "My baby was very sick with summer complaint, and nothing would help him till I tried Dr. Fowler's Extract of Wild Strawberry, which cured him at once. It is one of the best remedies I ever used."

The most expensive fur is the skin of the black fox of Kamschatka. These animals are scarce and hard to kill, and a single skin sells for about \$1,000.

Dr. Fowler's Extract of Wild Strawberry cures cholera, cholera morbus, diarrhoea, dysentery, and all forms of summer complaint, looseness of the bowels etc. Price 35 cents.

Persons whose temples are fuller above the eyes than below, whose heads enlarge above the ears, are usually more gifted with musical taste than those with contrary characteristics.

SEVERE ABSCESS CURED.

Dear Sirs,—I had an abscess just behind my right ear, in August, 1891. After suffering for three months, I began to take B. B. B., and after one month's use of it I was very much better, and the abscess entirely disappeared in four months. I am certain that Burdock Blood Bitters is an excellent remedy.

Florence M. Shaw, Solsgirth, Man.

We ought to regard books as we do sweetmeats, not wholly to aim at the pleasantest, but chiefly to consider the wholesomest: not forbidding either, but approving the latter most.—Plutarch.

TROUBLE AT MELITA.

Mrs. W. H. Brown, of Melita, Man., states that two of her children and two others belonging to a neighbour, were cured of the worst form of summer complaint by one bottle of Dr. Fowler's Extract of Wild Strawberry, nature's specific for all summer complaints.

Events are only winged shuttles which fly from one side of the loom of life to the other, bearing the many-coloured threads out of which the fabric of our character is made.—Anon.

"Golden Medical Discovery" cures those diseases which come from blood impurities—scrofula and skin diseases, sores and swellings.

But does it? It's put up by the thousands of gallons, and sold to hundreds of thousands. Can it cure as well as though it had been compounded just for you?

Its makers say that thousands of people who have had Tetters and Salt-rheum, Eczema and Erysipelas, Carbuncles and Sore Eyes, Thick Neck and Enlarged Glands, are well to-day because they used it.

Suppose that this is so. Suppose that a quick-witted man was far-seeing enough to know that to cleanse the blood was to cleanse the life. Suppose that after many experiments, and after many failures, he discovered this golden key to health, and that his faith in it for you is so strong that you can go to your druggist, buy a bottle, and if it doesn't help you, you can get your money returned—cheerfully. Will you try it?

The remedy to have faith in is the remedy the makers themselves have faith in.

Only the Scars Remain.

"Among the many testimonials which I see in regard to certain medicines performing cures, cleansing the blood, etc.," writes HENRY HUDSON, of the James Smith

Woolen Machinery Co., Philadelphia, Pa., "none impress me more than my own case. Twenty years ago, at the age of 18 years, I had swellings come on my legs, which broke and became running sores. Our family physician could do me no good, and it was feared that the bones would be affected. At last, my good old mother urged me to try Ayer's Sarsaparilla. I took three bottles, the sores healed, and I have not been troubled since. Only the scars remain, and the memory of the past, to remind me of the good

Ayer's Sarsaparilla has done me. I now weigh two hundred and twenty pounds, and am in the best of health. I have been on the road for the past twelve years, have noticed Ayer's Sarsaparilla advertised in all parts of the United States, and always take pleasure in telling what good it did for me."

For the cure of all diseases originating in impure blood, the best remedy is
