(GRINDING CORN ON THE COB).

A Fine Second-Hand Gas Engine for Sale.

### THE BRAENDER

## JET PUMP, WATER-ELEVATOR AND CELLAR DRAINER

Patented  
May 8, 1891.

This automatic device for removing water from Cellars, Excavations, Trenches, Wheel pits, or any depression where water accumulates, either from Springs, Surface Water, Leakages, or Tide Water, is so constructed as to be not only reliable at all times, but will, with a very small amount of water under moderate pressure, remove a large body of water and discharge it to a higher level. It will prevent the accumulation of water, and its construction is Strong, Durable, Uncorrosive, and is so simple, that it will last for years without attention. Send for Catalogues and Price Lists.
