

**FIRES.**

The saw mill of Oram Wheeler at Barnston, Que., was destroyed by fire last week.

The saw and shingle mill at Brudenell, Ont., owned by James Costello was burned recently. It is understood that there was no insurance.

The large saw mill of Murray & Gregory at Marble Cove, near St. John, N. B., was totally destroyed by fire a few days ago, together with about 2,000,000 feet of sawn lumber and three small dwellings. The loss is over \$50,000, with about \$20,000 insurance.

News has been received by cable from Shanghai that the schooner Carrier Dove, which sailed from the Hastings mill, Vancouver, on April 20th, for Shanghai, with a cargo of 902,782 feet of lumber, drove ashore ten miles north of the mouth of the Yangtze-kiang river a few days ago. It is not known whether the vessel will be a total loss.
