We direct special attention to the following remarkable statements.

For 25 years I was almost totally deaf; could not understand a word; had to carry a slate so that people could "talk" to me. In one week after commencing Aerial Medication, I surprised my friends by discarding the slate. I steadily improved, and now can hear the slightest noise, and can understand conversation perfectly.

EDWARD E. WILLIAMS, Lead, S.D.

J. C. CARRITHERS, Riverton, Ala.

For 20 years I had Catarrh, was very Deaf 18 years. Dr. Moore cured me and fully restored my hearing in 1892.

MRS. J. BASTICK,

I was cured of one of the very worst cases of Fetid Catarrh, by Dr. Moore in 1887, and have felt no trace of the disease since.

## SUICIDE

"Of all diseases that afflict humanity, none, in my judgment, is more general, more distressing, and more to be dreaded than nervous chronic dyspepsia. I believe that under its pressure a large percentage of suicides are committed." So wrote the Rev. J. B. Armstrong. Dyspepsia brings a long train of mental trouble, such as Depression of Spirits, Despondency, Discouragement, Forbodings, and makes life scarcely worth living; but K.D.C. drives these ills away, and brings back health and strength to the poor sufferer.

**A test proves K.D.C. the best.**
