YOUNG MEN'S BIBLE CLASS

Every MONDAY Evening,
AT 8 O'CLOCK,

FRUIT

FEW days ago a lady called at the rooms and left a small sum of money with the Assistant Secretary. As she did so she said, "The Young Men come regularly to our boarding house and leave papers and tracts. These papers are doing good, and I know they must cost something, so I want to contribute a little."

ANNUAL REPORT.

FOR the past four years we have not printed a Report in full, contenting ourselves with acquainting our friends as to the work through a special number of the BULLETIN. In view of the fact that our Constitution and By-Laws have been revised and materially altered, it has been decided to publish, with them, a report of the past year's work. This pamphlet will be ready in about one week, and copies may then be secured at the Rooms.

BIBLE CLASS

Subject—INTERNATIONAL LESSON.

TIP UP THEIR CRADLE.

IN the work entitled "Salvation Soldiers" written by General Booth, of the Salvation Army, he devotes a chapter to the discussion of the question "How to command." Section No. 6 is headed, "Care for your Soldiers," and under this he says, "I don't mean that you shall cozen, comfort and encourage the do nothing people who come with their mouths open three times every Sabbath, and now and then besides, to be fed in idleness. No! TIP UP THEIR CRADLE.—Make them feel that true godliness is practical benevolence, keep at them till they do see it. They will rub their eyes, and wake up, depend upon it, and though some may go off to other places where they will not be continually faced with their neglected responsibility, others will go to work with a will." These remarks are applicable to other organizations outside of the Army. What a multitude of Christians are to be found still in the cradle and feeding on milk, when they ought to be on their feet at work, and feeding on strong meat. "TIP UP THE CRADLE" we echo with a hearty Amen.
