HIGGINS' TAURINE MUCILAGE

THE demand for a clean, tenacious, and pure mucilage, secure against the corrosive influences affecting the average product in this line, induced us to put upon the market Higgins' Taurine Mucilage. It avoids the defects of the cheap and nasty dextrine and the dear and dirty gum mucilages. It is stronger, catches quicker, and dries more rapidly than any other mucilage, and is perfectly clear, clean, non-corrosive, non-sedimentary, and pleasant to sight and scent. It is put up in both bottles and safety shipping cans, and will be found not only convenient for use, but entirely satisfactory so far as its working qualities are concerned. It will please your trade.
