TO SUBSCRIBERS.

Subscribers to our publications will greatly oblige us by remitting their subscriptions without waiting for any of our agents coming round. And when they remit their own, let them remit as many new subscriptions as they can procure.

We expect always to have a few good agents travelling in the country, but we cannot afford to send agents every year into the same district.

THE "EVANGELIZER."

By a recent arrangement of the Post-Office department we can send a quarter of a pound weight of the "Evangelizer" for one cent postage. This is an improved arrangement on those that have existed since postage was imposed.

We can now send, prepaid, six or seven papers in one parcel to one address, and as this is a convenient number of subscribers to get in one locality, we will feel obliged by the friends of the cause doing what they can to get that number among their neighbours.

THE GLAD TIDINGS

Is a Monthly religious periodical, undenominational in character and devoted exclusively to the advancement of the kingdom of God in the world. It is published on the 1st of every Month at 50 cents per Annum.

To Subscribers.

Travelling Agents in connection with this Office are provided with printed receipts, to give to Subscribers to "Evangelizer," "Glad Tidings," "Good News," and the "Journal of Temperance." Subscribers will carefully keep their receipts, and if their paper does not reach them as expected, they will please send on the receipt to this Office, Prescott, and the matter will be attended to.
