Intensely New, Accurate, and a Grand Educator.

The successor of the "Unabridged."

Ten years were spent revising, 100 editors employed, and over \$500,000 expended.

Everybody should own this Dictionary. It answers all questions concerning the history, spelling, pronunciation, and meaning of words.

A Library in Itself. It also gives the facts often wanted concerning eminent persons, ancient and modern; noted fictitious persons and places; the countries, cities, towns, and natural features of the globe; translation of foreign quotations, words, phrases, and proverbs; etc., etc., etc.

This Work is Invaluable in the household, and to the teacher, scholar, professional man, and self-educator.

The Globe, Toronto, says:— This new dictionary is the best book of its kind in the English language. For every family, the members of which have mastered the art of reading, its purchase will prove a profitable investment.

The Times, Hamilton, says:— It may well be pronounced the best working dictionary and the cheapest book in the world, and should be in every school and family in Canada.
