

Great Luxury

For summer use in lighting and cooking over the

WANZER LAMP

A good meal for 6 persons. Joint roasted, and vegetables and pudding cooked for less than 1 cent.

All put in same time and taken out same time, giving a severe letting alone; requiring no atten-

tion; can be absent for 2 1/2 hours; on your return you will find a nice cooked dinner, and no odor.

So many small dishes can be cooked over it while you enjoy the light, such as oysters, ham and eggs, porridge, water boiled, tea and coffee made, steak broiled, etc., make the lamp very desirable and without an equal for the sick room or for warming the baby's food, and when not used for cooking, a beautiful lamp for the drawing room. Great step saver, making cooking a pleasure.
