CERTIFICATE. I HEREBY certify that Mr. Patrick Coughlan, of Buckingham, P.Q. has cured me of Scurvy which I have had for five years. I tried different medical men, and also patented medicines, and found none that could cure me. I have taken 58 bottles of Sarsaparilla and found no change for the better; nothing took effect but Mr. Coughlan's remedies administered by himself. I tried also Mrs. McGurkhan, an Indian woman, but found no relief. I do recommend those afflicted with Scurvy or Salt-Rheum to try Mr. Coughlan's remedy and they will soon find relief. DE LA SALLE INSTITUTE, Nos. 18, 20 & 22 Duke Street, TORONTO, ONT. DIRECTED BY THE CHRISTIAN BROTHERS This thoroughly Commercial Establishment is under the distinguished patronage of His Grace, the Archbishop, and the Rev. Clergy of the City. Having long felt the necessity of a Boarding School in the city, the Christian Brothers have been untiring in their efforts to procure a favorable site whereon to build; they have now the satisfaction to inform their patrons and the public that such a place has been selected, combining advantages rarely met with. The Institution, hitherto known as the "Bank of Upper Canada," has been purchased with this view and is fitted up in a style which cannot fail to render it a favorite resort to students. The spacious building of the Bank—now adapted to educational purposes—the ample and well-devised playgrounds and the ever-refreshing breezes from great Ontario all concur in making "De La Salle Institute" what ever its directors could claim for it, or any of its patrons desire. The Class-rooms, study-halls, dormitory and refectory, are on a scale equal to any in the country. With greater facilities than heretofore, the Christian Brothers will now be better able to promote the physical, moral and intellectual development of the students committed to their care. The system of government is mild and paternal, yet firm in enforcing the observance of established discipline. No student will be retained whose manners and morals are not satisfactory; students of all denominations are admitted. Thus incipient disease is changed into health, the value of which change, when reckoned on the vast multitudes who enjoy it, can hardly be computed. Their sugar coating makes them pleasant to take, and preserves their virtues unimpaired for any length of time, so that they are ever fresh, and perfectly reliable. Although searching, they are mild, and operate without disturbance to the constitution, or diet, or occupation. Full directions are given on the wrapper to each box, how to use them as a Family Physic, and for the following complaints, which these Pills rapidly cure:— For Dyspepsia or Indigestion, Loss of Appetite, and Loss of Sleep, they prove to be the safest, surest, and best of all the Pills with which the market abounds.
