

**THE TERRORS OF DYSPEPSIA**

A DISEASE THAT MAKES THE LIFE OF ITS VICTIMS ALMOST UNBEARABLE.

A SUFFERER FOR YEARS TELLS HOW SHE OBTAINED RELIEF—A BRIGHT RAY OF HOPE FOR THOSE SIMILARLY AFFLICTED.

From the Bowmanville News.

The editor of the news, in company with Mr. Jury, of the well known firm of Stott & Jury, visited the home of Samuel Wood, in the township of Darlington, for the purpose of ascertaining the particulars of another of those remarkable cures happily brought about by the use of Dr. Williams' Pink Pills for Pale People. It was Mrs. Wood who had thus been released from suffering, and when the newspaper man made known his mission, she said: "Yes, I can give you a bright testimony in favor of Dr. Williams' Pink Pills, for I believe that if they did not save my life, they at all events released me from untold misery. Some three years ago dyspepsia came upon me in a severe form. I doctored with one of the local doctors for more than a year, but all the time was growing steadily worse. The medicine I took cost me a dollar a bottle, and the expenditure was worse than useless for it did me no good. Then my husband thought as I was growing worse, it would be better to try something else, as they felt that unless a change soon came I was doomed to live through the terrors of a dyspeptic's life. Sometimes I would be fairly doubled up with the pain, and it seemed as if a knife was cutting into me. I then tried a number of medicines recommended for dyspepsia, but none of them brought the hoped for relief. We had so often read of the remarkable cures achieved by Dr. Williams' Pink Pills that I determined to give them a trial. I got a supply and before the second box was gone I found myself getting better. I continued the use of the pills until I had taken eleven boxes when I was fully recovered. This was a couple of years ago, and I have not the least sign of dyspepsia." Mrs. Wood further said that her husband had been a victim of kidney trouble for a long time and had taken a great deal of medicine for its cure but to no avail. When it was seen that Pink Pills were doing his wife so much good, Mr. Wood determined to try them, and they acted like a charm as he is now entirely free from his complaint, and he attributed all to the use of Pink Pills and would not be without them in the house.

Messrs. Stott & Jury informed the News that Pink Pills have an enormous sale. They have handled Pink Pills for years and say that they cannot recall a single instance in which a customer came back and said they were not perfectly satisfied with the results. This is certainly a remarkable record, but then Dr. Williams' Pink Pills is a remarkable medicine, and cures when other medicines fail.

Dr. Williams' Pink Pills are sold only in boxes bearing the firm's trade mark and wrapper (printed in red ink), and may be had of all druggists or direct by mail by Dr. Williams' Medicine Company, Brockville, Ont., or Schenectady, N. Y., at 50 cents a box, or six boxes for \$2.50.

POLICEMAN: Mr. Smartie, I have some bad news for you. Your shop was burgled last night, and the thieves carried off everything. Smartie: Is that so? But ain't I lucky? It was only yesterday that I marked down my goods 25 per cent.

NOT AT HOME: "What is Mrs. Blank's day at home?" asked a lady of a weary looking man she met at a reception. "My wife is an up-to-date woman, and doesn't have any day at home," was the dejected answer.
