#### D. & J. SADLIER & Co., HAVE JUST PUBLISHED

#### THE GOLDEN MANUAL;

"BEING A GUIDE TO CATHOLIC DEVOTION, PUBLIC AND PRIVATE,

With the approbation of the Most Rev. Dr. Hughes, Archbishop of New York.

With the approbation of the Most Rev. Dr. Hughes, Archbishop of New York. THIS Manual contains, in addition to forms in general use, various devotions selected from approved continental works. The Prayers, Litanics, &c., have been collected from the Latin originals, wherever such were known to exist. The English vorsions of the Palms here given, have been constructed by a comparison of the authorised Douay text, (to which in substance it adheres), with the several other versions, which from time to time have been sanctioned for the purpose of devotion. The indugenced prayers have been literally translated from the Rucotla, Bouviers' Treatism on Indulgences, and the best edi-tion of the Caelesto Palmetam. The particulars connected with the Confraternitics, &c., to which indulgences are attached, have been carefully collected from authorised sources. The American Edition has been enlarged by the addition of THERE HUNDED PACES of matter, under the supervision of a Rev. gentieman of New York. Many new translations have been made expressly for it, and a great number of Prayers have been made expressly for it, and a great number of Prayers have been added, which are in constant use in this country. The Histrations are appropriate and well executed. We send this book confidently before the public, with the assurance that no expense has been spared to make it (what it really is) the most complete Prayer Book ever published in the English language. The following notice of the work, is taken from Brownson's Quarterly Review for July, 1851:— "This is a reprint from an English Manual approved by Cardinal Wiseman, with large additions by the American editor. It is the largest and most complete manual of devotion we are acquainted with. It contains a great variety of devotions, adapted to almost every occasion and to every taste, and, as far as we have examined it, selected with judgment and true devo-stional foeling. We know of little, except in devotions befor-rand after commanion, that we could desire to have onded, an

we have not with nothing in it that we wish to have under index . It is due to the publishers to say that the copy before us is well printed, and richly bound. It contains numerous illustrations, .soveral of which are executed with much skill and artistic skill and taste. There is no occasion to commend this Golden Manual to the public, for it is approved by the Most Rev. the Archbishop of New York, and is sure to become, and de-servedly, a great favorite with devout Christians." 18mo. of 1041 pages, at the following very low prices:-

(A Sursaparua preparation of unexampled efficacy.) These Pills are prepared from the best Sarsaparilla, combined with other Vegetable properties of the highest Medicinal virtue. They are warranted not to contain any Mercury or Mineral whatever. They purge without griping, nauseat-ing, or weakening; can be taken at any time, without hindrance from business, change of diet, or danger of tak-ing cold. They neither have the taste nor the smell of medicine, and are five times more effectual in the cure of discases than any Pills in use. But a short time has claused since these great and good Pil-

discases than any Fills in use. But a short time has elapsed since these great and good Fills were first made known to the public, yet thousands have already experienced their good effects. Invalids, given over by their Physicians as incurable, have found relief, and been restored to sound and vigorous health from their use.

#### TO FATHERS OF FAMILIES.

Bile and foul state of the stomach occasion more sickness and deaths in families, than all other causes of disease put together. Sometimes whole families are taken down by malig-nant levers, Fever and Ague, and other dangerous disorders, all proceeding from a bilious and foul state of the stomach. No protecting non a build and the state of the dynamic and a parent can be so ignorant as not to know the great danger axisting from biliousness—no parent would be guilty of causage the

foul stomach. Superfluity of bile may always be known by some unfavorable symptom which it produces, such as sick stomach, headache, loss of appetite, bitter tasto in the mouth, yellow tint of the skin, languidness, costiveness, or other symptoms of a similar nature. Almost every person gets billous, the neglect of which is sure to bring on some dangerous disorder, frequently terminating in death. A single 25 cent box of Dr. Halsey's Gum-coated For-est Pills, is sufficient to keep a whole family from billous attacks't and sickness, from six months to a year. A single dose, from 1 to 3 of these mild and excellent Pills, for a child; from 3 to 4 for an adult; and from 5 to 6, for a grown person, carry off all billan adult; and from 5 to 6, for a grown person, carry off all bil-ous and inorbid matter, and restore the stomach and bowels, curing and preventing all manner of bilious attacks, and many other disorders.

#### SALTS AND CASTOR OIL.

No reliance can be placed on Salts or Castor Oil. These, so well as all common purgatives, pass off without touching the bile, leaving the bowels costive, and the stomach in as bad con-dition as before. Dr. Halsey's Forest Pills act on the gaul-ducts, and carry all morbid, bilious matter, from the stomach and bow-els, leaving the system strong and buoyant—mind clear; pro-ducing permanent good health.

#### GUM ARABIC.

An article which, in every respect, supersedes Sugar, both on account of its healing virtues, and its durability. The discovery of this improvement, is the result of a succession of experiments, during three years. For the invention of which, Dr. Halsey has been awarded the only patent ever granted on Fills by the Government of the United States of America.

The Gum-coated Forest Fills present a beautiful transparent glossy appearance. The well-known wholesome qualities of pure Gum Arabic, with which they are coated, renders them still better than Dr. Halsoy's celebrated Sugar-coated Fills. The Gum-coated Pills are never liable to injury from dampness, but remain the same, retaining all their virtues to an indefinite period of time, and are perfectly free from the disagreeable and nauscating taste of Medicine. In order to avoid all impositions, and to obtain Dr. Halsey's true and genuine Pills, see that label of each box bears the signature of G. W. HALSEY. that the
