Handsome Oak Framed Engravings as Prizes for Rifle Competition.

The Military Gazette is and always has been supported principally by shooting men whose organ it has always been, and whose interest it is always ready and eager to champion. Wishing to do something on its own account to help the riflemen, the new owners of this paper have decided to offer a handsome prize for competition to any regiment or Company in Canada. In doing this they are not trying to pose as philanthropists: they have a selfish ob-

ject, as well as the promotion of rifle shooting in view. This object is to increase the usefulness of the paper and enlarge its field, by increasing its circulation. The more subscribers we have the better our paper will be.

The conditions then on which we will present these prizes are: 1st. Eight names are to be sent us, of members of your regiment, who are not at present subscribers to our paper, and who want to receive it. 2ndly. Sixteen dollars, the amount of the eight subscriptions for one year must accompany the names and these will receive the Gazette for one year.

The prize will then be forwarded all charges prepaid to any address in Canada, to be competed for by the Regiment thus qualified, all conditions of shooting, etc., to be settled by the Committee of its rifle association, and the result and full details of the match to be forwarded for publication to this paper.

You will be astonished to find how many of your officers and shooting men, men who would be much interested by our paper and to whom it would be of much practical use, do not subscribe for it. The following is a list of the prizes from which you may make a selection:

The 'Rol' Call, by Mrs. Butler, size of frame 30 by 42 inches; Quatre Bras, by Mrs. Butler, size of frame 30 by 42 inches; Balclava, by Mrs. Butler, size of frame 30 by 42 inches; Pour la Patrie, by L. Royer, size of frame 27 by 36 inches; or the pair, Trompette de Dragons Detache, size of frame 22 by 28 inches; Chasseur a Cheval de Neuville, size of frame 22 by 28 inches. This pair are beautifully colored engravings, while the other pictures are in black and white, and all are the work of Messrs. Boussole, Valadon & Cie., Paris, successors to the world renowned house of Goupil.

For a Mess Room or Armory no picture could be more suitable. Do you not think that your officers and men would be glad to get for your regimental matches, a prize worth fully \$12.00 at practically no cost
