

## ÆTNA Life Insurance Company OF HARTFORD.

This Company did a larger amount of business in Canada in the year 1872 than any other Company reporting to the Dominion Government. See Government Returns.

*Its Policies are all strictly non-forfeitable*

thus doing justice to all, and compelling none to forfeit their payments through inability to continue paying.

*It furnishes Insurance on all just and equitable Plans.*

Its Mutual Rates average lower than any purely Mutual Company.

Its Stock Rates average lower than any purely Stock Company, besides guaranteeing the amount of paid-up Policy which will be given on account of surrender of Stock Policies—done by no other Company in Canada. Its ten year term plan is peculiar to itself, allowing the insured to withdraw the whole of the reserve on account of his policy when he attains the age of seventy, if he desires to do so.

Its ratio of expense to income is far below the average. It is prompt in payment of claims, careful in the selection of risks, and guards with the utmost jealousy the interests of its Policy-holders generally.

It is believed no Company doing business in the country has higher claims upon the public.

Persons desiring information either in regard to Agencies or Insurance, will please address,

MANAGER.

## MUTUAL INSURANCE FOR COMMERCIAL MEN.

The Board of Directors of the Beaver and Toronto Mutual Fire Insurance Company have opened a Branch for the exclusive purpose of insuring property situated within range of the hydrants connected with the Water Works of Toronto and Hamilton.

By the passage of the Mutual Insurance Companies Act of last session of the Ontario Legislature, all the vexatious clauses of the old Mutual Insurance law have been entirely removed. No lien or real estate, no liability for any payment over and above the amount of the premium note can hereafter exist. No premium note, even, is necessary, but a simple "undertaking" to pay assessments up to a limited amount, thus removing a very general objection on the part of mercantile men heretofore felt by them.

THE CITY BRANCH will insure, for three years, all property coming under the above class, on receiving the "undertaking" of the insured for four times the usual annual rate, and will collect thereupon a first payment of 12½ per cent., or one-eighth of the amount of the "undertaking," and will make no assessment thereon until required to meet expenses and losses arising within the limits above laid down.

Application may be made either at the Head Office, over Toronto Bank, or to the undersigned.

## THE RESERVE PLANS

Of this Company are the most popular system of Life Insurance ever offered, and are rapidly superceding the old practice.

### THEIR SALIENT POINTS ARE:

Every Policy, whether on ordinary Life rates, or other, a Cash Endowment to the Insurer.

2. The maximum of Insurance at the minimum of cost.
3. Definite surrender value specified on the face of the Policy.
4. The term for which the insurance is to run elected by the assured.
5. Grace in payment of premiums of from one to six months, determined by the age of the Policy.
6. All the merits of plain Life Insurance, Endowment, and Investment combined in one contract.

By the sworn returns to the Insurance Departments the net increase or decrease of business of each of the Life Companies of the United States for 1873 is exhibited. It will be seen that the METROPOLITAN occupies the handsome position of FOURTH on the list in actual gain of membership, the three companies exceeding it being an average of sixteen years older!! And of the total gain of the business, as done by all the companies of the country for the year, the METROPOLITAN competing with Forty-seven others, supplied ONE-SIXTH.

The total new business of the Company for 1873, exceeded the aggregate of nineteen other companies, as shown by official returns; and the increase over the corresponding business of the previous year exhibits the METROPOLITAN ahead of all the companies in the country, save one.

This is a flattering exhibit, and demonstrates that in the management and the Reserve Plans of the Company, it maintains its strong hold on public confidence.
