THE ONLY Catholic College In America...

That competes annually with half a dozen Protestant Colleges & Collegiate Institutes

→ More Scholarships

Than any of its Protestant Competitors.

Read the following extract from the JORTHWEST REVIEW, July 8th, 1897 :--

The students of St. Boniface College came off with even more than usual success. They captured the two scholarships for Greek Achille Rousseau, of the previous year, winning the coveted \$ 40 over 26 competitors from his own and other colleges, and Jean Arpin the corresponding \$ 25 in the Preliminary over twenty competitors. As our candidates numbered only eight against forty from three other colleges, this double victory reat the Rat Portage High Shool Entrance Examination, is the first pupil of the Faithful Companions of St. Joseph's Convent to go up for this examination. Truly a fine beginning.

The "Catholic Calumbian" says that dounds greatly to their credit. Moreover
