Programme actions

The Cooperation Programme shall be pursued by means of the actions described in the Annex, which forms an integral part of this Agreement.

ARTICLE 6

Joint Committee

1. A Joint Committee is hereby established. It shall comprise representatives of each Party.
2. The functions of the Joint Committee shall be to:
 - (a) review the cooperative activities envisaged under this Agreement;
 - (b) provide a report at least biennially to the Parties on the level, status and effectiveness of cooperative activities undertaken under this Agreement.
3. The Joint Committee shall meet at least every second year, with such meetings being held alternately in Canada and the European Community. Other meetings may be held as mutually determined.
4. Minutes shall be agreed by those persons selected from each side to jointly chair the meeting, and shall, together with the biennial report, be made available to the joint Cooperation Committee established under the 1976 Framework Agreement for Commercial and Economic Cooperation between Canada and the European Community and appropriate Ministers of each Party.
