

Labour Adjustment Benefits
Messrs.

(b) by striking out line 12 at page 32 and substituting the following therefor:

"determined under this act; and

(f) the initial amount of any pre-retirement benefits of a person as determined under the Clothing Worker Regulations or the Footwear Worker Regulations is deemed to be his initial amount of labour adjustment benefit as determined pursuant to subsection 15(1)."

He said: Allow me to explain Mr. Speaker. This amendment was urged by a number of committee members, particularly members from Montreal and the surrounding regions. They felt, and quite rightly so, that a grandfather clause ought to be introduced in this bill to protect workers who already benefit from this measure. The government looked at this proposal, found it to be reasonable and fair and this is why the amendment is now before the House. I strongly urge the House to adopt it.

The Acting Speaker (Mr. Ethier): Is it the pleasure of the House to adopt the motion?

Some hon. Members: Agreed.

Motion No. 23 (Mr. Caccia) agreed to.

Call in the members.
