THE PACIFIC CABLE.

The Government of Canada invites cable manufacturing contractors and others to state the terms upon which they will be prepared to lay, and maintain in efficient condition, a submarine electric cable across the Pacific from Canada to the Australasian Colonies.

General conditions under which the offers are to be made may be ascertained on application at the Department of Trade and Commerce, in Ottawa, or at the office of the High Commissioner for Canada in London.

Offers addressed to the undersigned will be received by him until November 1st, 1894.

MACKENZIE BOWELL,

Minister of Trade and Commerce.

OTTAWA, August 6th, 1894.
