"Mr. Riley's new book of poems, 'Armazindy,' includes verses in dialect and verses in straight English, verses to touch the heart and verses to tickle the ribs, verses of homely sentiment, and nonsense verses which are truly reckless and altogether delightful. 'Armazindy' is a characteristic poem in the Hoosier dialect, and there are some seventy other poems and one prose sketch written after the style of Dickens."—*Current History*.

ARMAZINDY, by JAMES WHITCOMB RILEY, will be sent to any address, postpaid, on receipt of \$1.25.

Address THE BOWEN-MERRILL CO., Indianapolis.
