The Rev. Jos. Scott, Rector of Dunham, has supplied, as far as lay in his power, the Mission of Brome with Sutton, which had become vacant by his appointment to the Rectory of Dunham. He has paid fourteen visits to those places, travelling on each occasion 42 miles. The Holy Communion was administered once at each place, at Brome to twelve, and at Sutton to four persons. The arrangements made with these gentlemen will continue in force until the appointment of a second Travelling Missionary, which is not expected to take place before Christmas. A candidate for the office, has, within the last few days arrived from England, having been furnished with his outfit, and sent to the Bishop, by that indefatigable friend of the Canadian Church, the Rev.
