

### TRAFFIC PROBLEM UP AGAIN TODAY

Railway Company Claims It Cannot Afford to Make Changes.

### PROTECTING THE PEOPLE

Any Feasible Method Will Be Adopted, Says R. J. Fleming.

The most interesting moment in the discussion of Toronto's downtown traffic congestion, and the report of the experts on it, will occur before the Ontario Railway Board this morning. A multitude of minor matters was swept off the slate yesterday in two hearings in preparation for the study of the demand for an approximate expenditure of three millions by the company in the supplying of new cars and the building up of the system, in general. The company take the ground that they cannot afford the cost, and the board thus far seems determined that new cars be added.

The recent order of the board, necessitating the reconstruction and lowering of car platforms, brought a protest from the railway. They claimed that the cars on hand could not be remodelled in that way. Chairman McIntyre, however, said that the order was going thru, as he was tired of delay. At least 184 could be treated in the proposed fashion. After discussion Manager Fleming agreed to have the change made on 24 by Aug. 15 and a report submitted on the remainder by Sept. 1. In all the board order applies to 202 cars. In regard to heating the cars, the company favored the installation of a hot air system, and a report with plans will be handed in by October. The new arrangement would mean an expenditure of \$200 in each case. Another report will be made as to the advisability of installing telephones through the whole line of trackage. Press buttons will also be used on all new cars instead of bell pulls. The care of passengers took up an hour of discussion and to prevent the crowding of the rear platform on closed cars the company will prepare an expert report to submit for the board's approval. The board insists that conditions of last winter do not continue and that women especially must be protected. The evidence of the board expert, C. R. Barnes, was that when a car is discharging passengers, those passing on the other track must come to a standstill till passengers have reached the sidewalk. The company expressed willingness to institute any feasible method of protection.

### TEACHERS GIVEN PRINTED ORDERS

Interesting Evidence Brought Out Regarding Bilingual School Controversy.

Canadian Press Despatch.

OTTAWA, June 26.—It developed at the hearing of the bilingual school case before Mr. Justice Lacombe today that at the time of the famous walk-outs of pupils here a year ago, when Protestant inspectors visited the English-French schools, the orders from parents to teachers directing that their children should be taught in French and that they should leave when the Protestant inspectors appeared, were for the most part on printed forms. Presumably these forms were distributed among the French families by the trustees who opposed the bilingual regulations. The letter form read: "I have learned with regret that the government of Ontario has just ordered that French be taught only in the first form of the bilingual schools. It is with no little regret that I see the absolute control of our schools passing into the hands of English Protestant inspectors. I find that this is an unmitigated injustice and I protest against this outrageous law. French and English must be taught, but before all our children must learn French, their mother tongue. In consequence, I order that French be taught my children in all the classes and that my children leave the school on the arrival of the Protestant inspectors. Many Ratepayers Deserted. It also came out in the evidence that owing to the trouble between the French and the education department a great percentage of English speaking ratepayers in Ottawa were deserting the separate schools and going over to the public. Deputy Minister of Education Colquhoun admitted that the department granted permits to non-certificated teachers, but only where boards could not secure qualified teachers. Such cases were becoming fewer. He said the reason Protestant inspectors had been appointed for the French separate schools in this district was because there were no qualified Roman Catholics available.

### BIG ATTENDANCE AT ARENA GARDENS

Motion Picture Exhibition Again Proves Popular With Large Crowd.

### LIFE OF NAPOLEON

Exceptionally Fine Pictures Were Shown by Warner's Feature Company.

Again yesterday the theatre installed at the Arenas Gardens proved quite inadequate for the large number of people visiting it. The Warner Feature Company supplied an exceptionally strong program which greatly pleased the vast audiences. "A Born Warrior," a magnificent three-act production dealing with the life of Napoleon, followed by a sequel "Exiled," also in three parts, showing his later events in the Great French chief's life, were perhaps the greatest attraction. The plays are wonderfully well executed, the former taking place in the early age of the great general. All his important campaigns and battles are portrayed with a faithfulness to history.

Settle of Waterloo. In the second chapter the history of Napoleon stands revealed, right from the battle of Waterloo to the scenes aboard the exile ship which takes him to St. Helena. The last stand of the "Old Guard" is a magnificent production. In the second feature, "Mother Love," Marion Leonard is seen to great advantage in a story written to suit this great actress. This proved a popular feature with the visitors. Altogether nearly 3500 visited the Gardens. Perhaps the chief beauty of the picture which have been shown during the exhibition was the wonderful clearness of them. In spite of the improved screen, which was not of the best, Powers' No. 5A machine overcame all the difficulties and made the pictures magnificently clear with very little flicker. A very large number of people visited the dance room during the evening. Rose E. Tapley. Today's program will consist of the usual attraction with the Famous Players' Company occupying the theatre. This company will produce Jesse Langley's latest release, "The Only Son," a magnificent photo play featuring William E. Rose. During the day Miss Rose E. Tapley, the charming and popular leading lady of the Vitagraph Company, will be present to receive her many friends in the reception room of the association. Starting at 8 o'clock the usual dance will be given in the conference hall.

"NATIONAL HERO SERIES" NO. 4

### Lord Nelson—Old England's Great Naval Hero

WITHOUT Horatio Nelson, England would have been invaded and perhaps conquered by Napoleon. At Trafalgar he smashed forever the French Emperor's hope of creating a naval power. Never was man more idolized and beloved—not only by all of England's people who breathlessly awaited news of his telling victories, but by every man of his fleet. A true Anglo-Saxon, he detested tyrannous powers and legislative usurpations of every kind. He was particularly opposed to prohibitive enactments governing the diet of his men, who, like him, enjoyed barley-malt brews, even as their fathers did for countless generations before. Good beer, according to Lord Nelson, has ever been good food. Budweiser Beer for 77 years has been the product of an institution holding the highest ideals known to the ancient art of brewing. The output, due to Quality and Purity, has increased every year until 7,500 men are daily required to keep pace with the public demand. Budweiser sales exceed any other beer by millions of bottles.

Tourists Were Given Royal Reception and Shown Sights of City.

Special to The Toronto World. HAMILTON, June 26.—Over 175 delegates to the Ad Club convention, which concluded its sessions in Toronto on Thursday, arrived in the city today and were given a royal welcome by prominent citizens. At the station the visitors were met by Controllers Cooper and Morris, and representatives from the board of trade, C.M.A., and a special reception committee of ladies, who looked after the delegates' wives. Fifty autos took the sightseers on a tour of the city, during the course of which inspections were made of the leading manufacturing plants of the east end. Among the industries visited were the Oliver Chilled Plow Company, the International Harvester Company, and the Steel Company of Canada. The party were then taken up the east end incline, in order to gain a panoramic view of the Ambitious City. At the terminal station special cars were in waiting, which conveyed the tourists to the Royal Hamilton Yacht Club for luncheon. ### How to Obtain Good Digestion

The Stomach Must Be Toned and Strengthened Through the Blood. The victim of indigestion who wants to eat a good meal, but who knows that suffering will follow, finds but poor consolation in picking and choosing a diet. As a matter of fact you cannot get relief by cutting down your food to a starvation basis. The stomach must be strengthened until you can eat good, nourishing food. The only way to strengthen the stomach is to enrich the blood, tone up the nerves and give strength to the stomach that will enable it to digest any kind of food, is through a fair use of Dr. Williams' Pink Pills. The one mission of these pills is to make rich, red blood that reaches every organ and every nerve in the body, bringing renewed health and activity. The following case illustrates the value of Dr. Williams' Pink Pills in curing indigestion. Mrs. T. Reid, Orangeville, Ont., says: "I have much pleasure in testifying to the reliability of Dr. Williams' Pink Pills. For several years I had suffered greatly from stomach trouble. Several doctors prescribed for me, but their medicine did not help me. After every meal I would suffer great pain, and would often be attacked with nausea. I grew weak and had almost lost all hope of recovery. At this juncture I decided to try Dr. Williams' Pink Pills, which were recommended to me. In these pills at last found the right medicine, and I am once more in good health. I have much pleasure in sending you my testimonial in the hope that it will encourage some suffering persons to try this sure remedy." Dr. Williams' Pink Pills are sold by all medicine dealers or will be sent by mail at 50 cents a box or six boxes for \$2.50 by the Dr. Williams' Medicine Co., Brockville, Ont.
