ADVICE TO MOTHERS.

Dr. Lachapelle, the eminent French specialist on Diseases of Children, states in his work, "Mother and Child," that with the exception of

Dawson's Chocolate Creams

I never prescribed or recommended any of the many *worm* remedies offered; as most of them contain mercury. From analysis,

**Dawson's Chocolate Creams
Contain No Mercury.**

I have no hesitation in recommending them to my readers; they are effective, and being in the form of a Chocolate Cream, very palatable, and *require no after medicine.*

Dawson's Chocolate Creams

are NEVER SOLD in the form of a Chocolate tablet or stick, but in the form of a delicious

CHOCOLATE CREAM.
