CANADIAN EXHIBITORS AT THE CENTENNIAL.

We commence herewith a list of Canadian exhibitors at the approaching centennial in Philadelphia, the name and location of each person or company exhibiting, and the articles to be exhibited, each classified and arranged in a convenient form for reference. During the summer we shall keep a regular correspondent at Philadelphia whose duty will be to keep us thoroughly informed as to every circumstance relating to the interests of Canadian exhibitors. We are pleased to see that Canada is to be so

well represented, and much praise is due to the efforts of the Secretary of the Dominion Advisory board in this direction.
