THE DAILY ROUTINE.

HAVANA. March 29.—Jack Johnson and Jess Willard continued today their training routine in order to fit themselves for the heavyweight championship fight in which they are to engage one week hence. Both men worked hard in their training quarters before large crowds and also on the Cuban roads. Willard went thru all his forms of indoor exercise this afternoon and in addition took on his sparring partners in turn for twelve fast rounds. The hig white man went after Charley Hemphills os savagely that Hemphill was dazed by one of his blows, and Willard was forced to slow down somewhat. Sanitarium was received with sincere regret in athletic circles, in which he was born here thirty years ago. The remains born here thirt down somewhat. Willard's left to the head and body were his best blows today. He says he is afraid to use his right against his sparring partners. Ring foltowers consider that one of the worst faults of Willard is that he leaves his body unprosected most of the time. He also fights with his mouth open.

This morning Willard went over the road jogging and sprinting for a distance of five miles. He does not expect to do any work tomorrow. He will make his final spurt Wednesday and then will gradually let down in his training. He says he expected to enter the ring at 233 pounds, six of which he still has to take off.

Johnson did six miles on the road this morning, running and walking. This afternoen in the scadium he punched the bag, threw the medicine ball and then went eight fast rounds with Bob Armstrong, Colin Bell and another sparring partner. ### **BAD POLICY TO** NAIL UP GATES

Comiskey Says Reduction in Salaries Will Save the Minor Leagues.

CHICAGO, March 29 .- Two of the most

the gates. All the minors need, he said, is an overhauling and general slashing of salaries.

Garry Herrmann, chairman of the National Commission, wired from Cincinnati that as a result of Johnson's interview, some minor league cubs already have decided not to open and that in his judgment others would follow suit.

Ban Johnson himself stood by his guns and asserted that he would not go back on a single word in the interview. This remark was brought out by the fact that he has been bombarded with telegrams from all over the country from owners and league presidents asking if the statement, as published, was authentic.

"I have replied to all that the interview was absolutely correct," said Mr. Johnson, "and I say further that the prominence given to these perfectly obvious facts will in time do baseball more good than anything else. We might just as well apply the knife right now as later and it will not help the sport to conceal actual conditions."

Red Fisher, Bill Donohue, Harry Corns and Cunningham, veteran players on the reserve list of the Hamilton Baseball Club, have been placed under suspension. Contracts were forwarded to all four early this season. Cunningham refused to stand for the reduction in salary. Fisher has intimated that he does not want to return to Hamilton, while Donohue and Corns have writer's cramp and have been unable to tell the club officials just wifat their grievances are. The result is the suspension list for all four, this action having been taken at a meeting of the directors of the club held on Saturday.

First Baseman Graham has been awarded to Toronto by the National Commission. A beating for Ganzel before the season opens.

in the pabt have "worn blinkers" away from the ball parks.

When Detroit and Atlanta played the other day Ty Cobb and Charlie Schmidt had their friendly annual tilt and the season now is officially on as far as the Georgian is concerned.

When he came to bat for the fourth time Cobb told Schmidt he was going to but and that he would beat the play if the catcher would field the ball.

Schmidt accepted the challenge and ordered O'Dell, his third sacker, to keep out of the play. Tyrus bunted the first pitch fair, and Schmidt in his hurry to field the ball 'fumbled a little and then made a bounding throw. Cobb beat it easily. He stole on the next pitch, but failed to hook the bag, and was out when he over-slid.

This safe bunt gave Cobb the longest and shortest hits of the day. In the third round he lifted the ball out of the lot, the sphere going over the fence just inside right field foul flag. The Tigers have had numerous four basers in exhibition and scrub games, but this is the first one to go out of a playing field.

E. Gurney, proprietor of the Wingham Glove Works, who is a candidate for the council of the C.A.L.A., is worthy of consideration by every delegate on Good Friday. He has played the game for 22 years and played last year for Wingham. He would add great strength to the council.
