Turf Gossip.

The Tennessee Derby, the chief event of the Memphis spring meeting, has 54 entries.

The 12-year-old Almont mare Francesca, that never had a harness on her back until last year, is being trained at the Pleasonton (Cal.) track and is said to be a sure candidate for the list.

The famous horse Islington, imported from England by James Shaw Robinson, has arrived safely at Hanford, Col., after his long journey across the ocean and the Western Continent.

Richard Croker will race under the name of the Manhattan stable next season and not under his own name, as last year. He has Armitage and Prince George in both the Metropolitan and Toboggan Slide, and Armitage, Dobbins and Flirt in the Bowling Brook.

Nancy Hanks spends most of her time in the paddock, her daily airing, and, with her racing shoes laid away forever, is being prepared for a life of retirement from the excitement and worry of the campaign, says Allen Lowe, the Boston turf authority. Her future is that of a matron, and the descendants of the royal mare will all have the home breed stamp, for New England is to be the home of the colts of Nancy Hanks.

IN THE WORLD OF SPORT.

Rankin of Montreal May Play Hockey With the Victorias—The Canadian Championship.

The adjourned meeting of the Executive Committee of the Ontario Hockey Association, held yesterday, decided to admit Rankin to membership in that body. He will play on the Victoria team. His admission caused considerable argument, but his affidavit that he moved from Montreal and would live here not for the purpose of playing hockey had its effect.

Arrangements for the hockey match in Montreal for the championship of Canada, between the champion teams of the Ontario and Quebec associations, was left in the hands of a committee consisting of Messrs. Smellie, Kerr and Dr. Parkyn.

The Hamilton Club sent a notice that some players were accustomed to wear dangerous skates, and asked a ruling. The matter was left in the referee's hands.

The Athletics of Kingston asked if they could play Taylor, who had played in one senior match with Queen's this year. It was decided that although he was still a Queen's junior on another team he would be a senior.

Chips From the Ice.

The Dominion Bank will play the Bank of Commerce on the Victoria Rink, at 5 p.m. to-day, ice permitting.

The Caledonians have chosen their tankard skips, Messrs. R. Rennie and D. Prentice. They meet Prospect Park in the first round next week.

The jolly curlers from Bisontown will be here next week for their annual match four rinks a side with the Caledonians in Mutual-street for the trophy donated by Mr. R. Davies.

The Hamilton Victorias play their annual match with the Caledonians in Mutual-street next week for the W. G. Reid Cup.

The ice yesterday approached playable condition, but no contests took place; several are looked for to-day. The Vics and Torontos play in Huron-street.

The Granites and Parkdale play a city league match to-day in the Granite Rink. The Granite team will be: Goal, Livingstone; point, McCarthy; cover, Holland; forwards, Crawford, Dixon, Carruthers, Smith.

The Caledonians will have a busy week next week. Besides playing their points' medal contest and going out to Brampton, they will entertain the Buffalo and Hamilton brithers. The points' medal matches will be played Monday at 2.30 and 7.30 p.m.

The following team will represent the Parkdales in their league match with the Granite Colts on the latter's ice at 5.30 o'clock this afternoon: Goal, McConnell; point, Leask; cover, McDonald; forwards, Franks, Grant, Covey and Armstrong.

TO HAMILTON'S MAYOR.

Toronto's Dog Fanciers Pay Their Respects to A. D. Stewart.

Toronto has a lot of dog fanciers and they all have a kindly feeling for their brothar kennel man, Mr. A. D. Stewart, Mayor of Hamilton. A nicely worded petition has been going a select round the past few days, and will be well filled by to-day. It is addressed to Mr. Stewart, and is signed by His Honor Lieut.-Governor Kirkpatrick, President Kirk of the Toronto Kennel Club, G. B. Sweetnam, Harry Piper, etc.

The address tells how much the subscribers think of Hamilton's Mayor, and how elated they are at his elevation to the chief magistracy of the Ambitious City.

A delegation will go up to-day, and besides personally congratulating Mr. Stewart will formally present the document.

MANY BASEBALL LEAGUES.

The Amateurs Will Organize New Clubs All Over Ontario.

President Ward is sanguine that next year will be the greatest season in the history of amateur baseball in Canada.

"Why, they are asking me for constitutions from all over already," he said yesterday.

"I know of a dozen new junior leagues that will be formed," he continued.

"Junior leagues will probably be organized under the supervision of the Canadian Amateur Baseball Association in Toronto, Hamilton, London, Brantford, Guelph and Galt in the west, and in the east Oshawa, Lindsay, Cobourg, Peterboro and Port Hope.

A City League will probably be formed in Toronto. The following clubs have signified their intention of entering: Crescents, Stars, Alerts, Wellesleys, Arctics and Diamonds.

President William Hendrie Interested in Detroit.

DETROIT, Jan. 19.—If the announcement made is true, Detroit is to have two race tracks next season. D. Campau is said to be behind one, which is being modelled on the lines of the Washington Park Club's premises at Chicago, while the other is being constructed with money furnished by William Hendrie, President of the Ontario Jockey Club, his brother George Hendrie being in charge of the scheme. This course is to be on an island which is being turned into a summer resort, with a race track as the chief attraction.

Popp & McDole's Academy.

To-night Tommy Riddle, the well-known welter-weight, and J. Gleeson, the East End champion, will meet in a 6-round contest, the winner to take all the receipts of the house. Sparring by the best talent in the city. By the request of a large number of followers of sport they wish to see C. McDole and Jim Popp spar again, which they will to-night. Come early and secure seats. Start 8 p.m. Shorty Smith and Punch Macey, two well-known North Toronto pugs, will also settle a little difference to-night.

Ill-fitting boots and shoes cause corns. Holloway's Corn Cure is the article to use. Get a bottle at once and cure your corns.

Visible Improvement in Trade.

NEW YORK, Jan. 19.—The Times says there has been a visible improvement in the business situation since the opening of the new year. It says better times are at hand in many branches of trade. The large number of mills that have lately started up indicate that orders have begun to come in, and to fill orders the mills make the goods.

Dr. Wood's Norway Pine Syrup cures coughs, colds, asthma, bronchitis and all throat and lung troubles.

TWO MEMBERS FOR ALGOMA.

Also a Request for Additional Timber Limits to be Placed on the Market.

A deputation consisting of Mr. James Conmee, M.L.A., D. C. Cameron of the lumber firm of Cameron & Kennedy, Walter Ross of the firm of Ross, Hall & Brown and C. W. Chadwick, president of the Rat Portage Board of Trade, waited on the Ontario Cabinet yesterday afternoon for the purpose of furthering the interests of the people of that district. The deputation asked that a greater number of timber limits be placed on the market so that the mills may be kept running and the men employed. They also asked that licenses be issued to fishermen, saying that the American fishermen are fishing in Canadian waters, while the Canadians have to sit idly by and do nothing.

They farther requested the Government to divide the constituency of Algoma into two districts, to be known as the Thunder Bay and Rainy River Districts, thus giving Algoma two representatives instead of one, as at present.

It is thought that the Government will grant the first and last requests, but as to the fishery question it is not so sure.

A PLUCKY JAILER

Foils a Desperate Gang of Convicts in a Jail-Breaking Attempt.

OMAHA, Neb., Jan. 19.—Jailer S. G. Ernest was passing along the corridor of the first floor of the County Jail last evening when he heard the noise of a scuffle on the second floor. On running up he found two desperate characters named De France and Christianson fighting.

He sprang into the cell to separate the men. Seizing De France the jailer pulled him into the corridor, but was followed by Christianson and attacked by both men. A desperate struggle commenced, when suddenly Christianson sprang back and pulled the lever that unlocked every cell on the floor.

Nineteen criminals burst forth and drove the jailer into a cell. Here they beat and clubbed him, but with heroic attempts he tore through the mob and rushed down the corridor to the office. The prisoners followed him in a wild dash for liberty, but just as the mob, headed by DeFrance, reached the threshold, Ernest had grasped a revolver and a billy and flashed the gun in the leader's face. The mob surged up to the doorway in a frantic attempt to kill the jailer, but his nerve and gun cowed the convicts and they slowly and sullenly went back to their cells, driven by Ernest.

The prisoners are all men sentenced to the penitentiary or awaiting trial in default of large bail. De France is a life prisoner and Christiansen is serving a long term for burglary.

The General Elections

for the Dominion are now being talked of and all parties are preparing for this event. The quality of the Students' Mixture Tobacco remains unchanged and is everywhere meeting the most unequaled approval. It makes a pleasant smoke. Try it.

A Distinguished Lady Speaker.

Because there was a strongly expressed desire, when Mrs. Josephine R. Nichols, Ex-President of the Indianapolis W.C.T.U., addressed a meeting of the Canadian Temperance League a year ago, that she should be invited to return again, is one good reason why the league has secured the services of this talented lady for their meeting in the Pavilion to-morrow afternoon. Frances E. Willard says: "Mrs. Nichols is one of our ablest speakers." The O'Banyoun Jubilee Singers will render gospel selections, and Mayor Kennedy will occupy the chair.

Parmelee's Pills possess the power of acting specifically upon the diseased organs, stimulating to action the dormant energies of the system, thereby removing disease. In fact, so great is the power of this medicine to cleanse and purify that diseases of almost every name and nature are driven from the body. Mr. D. Carswell, Carswell P.O., Ont., writes: "I have tried Parmelee's Pills and find them an excellent medicine and one that will sell well."

Sporting Miscellany.

W. Steinitz, the chess expert, has notified Lasker that he will accept the latter's offer for a match for a stake of $2500.

W. McDowall will hold a series of open sparrow and blue rock matches at the Woodbine this afternoon, commencing at 2 o'clock.

A letter was received in Chicago from Mrs. Bennett, wife of Charley Bennett, the famous catcher, who had both legs cut off at Ottawa, Kan., saying that her husband was improving and would soon be taken east.

The bet which appeared in The Pittsburg Times was taken, and could have been covered by at least four other persons besides the man who got it. Anyone desirous of taking it, says The Times, can get a bet of $50 even at that office that Corbett does not knock Mitchell out in 20 rounds.

Joe Darby, the English jumper who holds the world's record, speaking of the coming mill between Corbett and Mitchell, said yesterday: "I am confident that the championship will stay in America. Mitchell in England is considered a clever boxer, but none of the fights in which he has engaged would warrant anyone in believing that he could defeat Corbett, who has proven victor in many a hard fought fight."

The annual election of the Detroit Wheelmen resulted: President, J. H. Gould; vice-president, M. A. Gardner; secretary, Henry Perry; treasurer, Ed N. Hines; captain, James M. Keenan; directors, E. S. Anderson, John T. Holmes, A. T. Allen, W. E. Sewell, C. H. Smith, Louis Vineberg, T. S. Osius and Frank Chidsey. The membership is 208.

The great inter-State cocking main between Mobile and Louisiana was fought at St. Charles, Mobile, between Gus Diehr of St. Charles, Mo., and S. P. Hastings of Louisiana, Mo., for $50 each battle and $300 on the main. The agreement was to show 13 cocks and agreeing to fight all that weighed in according to Mobile rules with 1-2 gaffs. Seven matches were arranged, which constituted the main. Diehr won the first three battles. Hastings won the fourth. Diehr won the fifth, which gave him the main. Louisiana fowls were the favorites.

The $700 cash of the Hamilton shoot was won as follows: R. O. Heikes, Chicago; O. J. Marsh, Westfield, N.Y.; J. A. R. Elliott, Kansas City and H. McMurchie, Fulton, N.Y., killed 20 each and divided the first four moneys, each taking $108.75. E. Andrews, Sardinia, N.Y., and C. Cox, Toronto, divided fifth and sixth, each getting $45. W. Emond, Toronto; C. Wilmott, Port Hope; George Briggs, Toronto; J. Wayper, Hespeler, and W. Stroud, Hamilton, divided seventh, eighth, ninth, tenth and eleventh moneys, each getting $25, and D. Miller, Woodstock; J. Crooks, Hamilton; M. Mahew, Utica, N.Y.; H. D. Bates, Ridgetown; W. Fitch, Hamilton, divided the remainder, getting $10 each. The only other open event of the day was the ten-bird sweep, which resulted as follows: W. Emond and J. Wayper dividing first and second money, with ten birds each; H. O. Heikes, C. Wilmott, James Crooks and George Briggs getting the balance, with nine each.

OUR 4-PAGE CIRCULAR TELLS YOU OF

Two Big Bankrupt Stocks

which were lately purchased by our Mr. Cousineau, and which we have determined to sacrifice with our own great stock, making altogether $145,730.00 WORTH OF DRY GOODS to be offered to the buyers of this city at almost their own prices.

Such a sale as we intend to conduct has never been equaled nor even approached.

OUR DETERMINATION IS TO CONVERT more than one-half our stock into cash within the next two months. We recognize the fact that there is only one way to do it, namely:

CUT PRICES SO LOW

That even the cost of manufacture will not be covered.

We omitted to mention in our large 4-page Circular that we are going to sacrifice about 50 Beautiful Elderdown Comforters regardless of the loss sustained. For instance, Comforters worth $7 and $8 will go at $5. Comforters worth $10 will go at $6, and Handsome Silk Elderdowns worth $17 will be sold at $10. Do not miss this chance.
