

THE ISSUE PLAINLY STATED.

What is meant by "Free" Coinage and "Independent" Coinage of Silver—Effect on World.

New York Herald. By free coinage it is meant that anybody—individuals and corporations, natives and foreigners—may send bullion to the United States mints and have it coined into dollars free of charge, except the cost of the alloy employed.

Our mints and those of all the great commercial nations of Europe are to-day open to the free coinage of gold. None of them is open to silver. Our gold coin is accepted in any market in the world at the equivalent of its face value, not because of the mint stamp, but because the bullion in it is worth that amount.

But if the United States placed its mints at home, and allowed every citizen who chose to have fifty-three cents worth of silver stamped into a dollar with which he could then discharge a hundred cents of debt to our own citizens with every mine in this country and every owner of gold spoons turning his silver into dollars without end—it stands to reason that the government could not keep this vast unlimited mass of silver dollars at a parity with gold, and they would circulate at home at a value of only a few cents.

On behalf of the Liberal-Conservatives of this Province, we rise to return thanks to those of our Patron body who are pleased to call themselves Conservatives. For the results of our handiwork we thank you. You are the kind of material this country needs to wreck a Conservative Government and to break the state over to your political opponents.

The quarterly meeting of the Baptist Home Mission Board of Ontario and Quebec was held yesterday, Mr. John Clark presiding. Present were: Treasurer Rev. E. P. Fox, Secretary Rev. J. Kennedy, Superintendent Rev. J. McEwan, and a number of lay members.

Only those who have had experience can tell the tortuous course of the nerves in the face, and the pain which is often sent to the face by the nerves of the head.

RAILWAY NEWS.

Removal of Further Changes in the Grand Trunk Schedule—Resignation Increasing. The rumor circulated some time ago that Messrs. D. Morrice of Toronto, W. R. Tiffin of London and J. Webster of Allandale, the three Western district superintendents of the Grand Trunk, were to be retired and Mr. Fitzhugh appointed to control the sections of the road in their stead, with headquarters in this city, is again revived.

According to the C.P.R., emigration to the West is increasing. A number of people from Eastern Canada and the Northwestern and Middle States are now prospecting in our Western territories.

Following is the program of music by Mr. Bayley's band for to-morrow evening: Vocalists, P. Thomas; March, Brightly Gleams Our Banner; Hymn, All Hail Thee, O God; Comedienne, Nigeli; euphonium solo, Les Feuilles Mortes; song, Adieu to Me; Tarrington, Mr. G. P. Thomas; Largo, Handel; Spanish chant, Largo; sanctus, Miss Solenne, Gounod; song, The Volunteer Organist; Spaulding, Mr. G. P. Thomas; selection, St. Bartholomew, Keyser; ballad, Hallelujah Chorus, Messiah, Handel.

It is thought that the new gratuity scheme will work well with respect to enlarging membership. There is a good beginning, seven having passed to-day. Dues, half-yearly, \$5.00, with gratuity, entrance, \$5.00, total, \$10.00, with gratuity.

According to a recent statement the Toronto Women's Board of the Bank Loan Company has been making satisfactory progress. The company was incorporated in 1887 with an authorized capital of \$1,000,000. In addition to the work done at the head office, London, Ont., branches have been established in Ottawa, Toronto and Galt. The Ottawa Women's Board reports stock subscribed, \$25,000 and returns to the head office are \$5,344.15. The Toronto Women's Board reports \$25,000 stock subscribed, with \$5,195.98 returns to the head office. The total amount of stock subscribed at the head office the first year was \$101,000, and now it amounts to \$238,500. This \$75,500 is in "Class A" permanent stock, and shows increased confidence in the company. Among other officers of the Toronto Women's Board are: Mrs. J. L. Hughes, president; Mrs. McDonald, valuator, and Miss Clara Brett Martin, solicitor.

The boys are bravely competing for the two Victor bicycles which Mr. Philip Jamieson offers as the prize to the two boys who send the two best answers to the question, "Why should mother buy Jamieson's?" Hundreds of applicants are coming in for the printed Answer Blanks, which anyone can get at Jamieson's free. They tell all about the competition and when it closes. Three public men will act as judges of the boys' answers, and the Victor bicycles will be awarded in their decision. Some clever answers from clever boys are printed in Mr. Jamieson's advertisement in to-day's World.

At a recent ordinance at St. Alban's Cathedral some clergymen took away a black stone by mistake, leaving another in its place. The one taken had a little gnomon bordering or lining in its ornamental parts, the one left was entirely plain. The clergy of the cathedral will be pleased to re-exchange, as the one taken was a gift and they would be sorry to lose it.

Messrs. Hughes & Co. have now their Island Park Pavilion in full swing and refreshments are provided in abundance for the thousands of visitors who daily visit this beautiful spot. A series of social hops to take place every Tuesday and Thursday have been inaugurated. Good music and splendid floor for dancing.

SHE'S WORTHY OF THE NAME.

The New Dominion liner Canada is believed to be a Record Breaker for Speed—She Sails Sept. 17. The new Dominion Line steamship Canada, which was launched at the Belfast yards, Messrs. Harland & Wolff on May 14, will sail from Liverpool on her maiden trip on Sept. 17, and will be in Montreal the following Tuesday or Wednesday. The plans of the new 8000 ton twin screw steamer, which is the largest and fastest Canadian passenger steamer now afloat, were received this morning by the Canadian agents of the line, Messrs. D. Torrance & Co. Since the launching of the vessel on the 14th of May her fitting has been going steadily along.

The Labrador is at present advertised to sail on Sept. 17, but in consequence of this new arrangement, the Labrador will sail a week earlier, i.e., Sept. 10.

The plans show the prominence, saloon and upper deck. On the lower there is a spacious library and reading room and also a smoking room for the first-class passengers.

On the saloon deck there are 25 staterooms, each fitted to accommodate either two or three passengers. There are also six single berth rooms. The dining saloon, which is situated on the same deck, will seat 150 passengers, on the upper deck are 46 very large staterooms, which will accommodate two, three or four passengers, as required.

It was expected early in the year that the Canada would be able to make her maiden voyage in July or August, but the shipbuilders' strike, from which Messrs. Harland & Wolff did not escape, caused a delay in the ultimate completion of the new vessel. It is expected that on her first voyage this latest addition to the Dominion Line fleet will bring to Canada a very large list of passengers, as at this time of the year the trend of travel is towards the West.

World Give All You Have of Both to be Restored to Health—Dr. Agnew's Great Cures are Specific Cures for Specific Ailments.

HEART DISEASE—Relief in thirty minutes in most alarming cases of heart trouble. A strong stimulant to make for Dr. Agnew's Cure for the Heart, but it is borne out by the testimony of thousands who day claim themselves snatched from the grave by its wonderful curative power. If the sufferer has palpitations, tires easily, it indicates heart disease. Be warned in time. Use this sure and quickest cure; it never fails. James Allen of St. Stephen, N.B., writes: "I was troubled with very severe pain in the heart, pain in the side, and shortness of breath. I became completely exhausted with the least exertion. Doctors said my case was a hopeless one, and procured a bottle of Dr. Agnew's Cure for the Heart. A few doses gave me permanent relief—six bottles entirely cured me, and I am well and strong as I ever was. I think it the best medicine on earth for heart trouble."

CATARH—It goes right to the seat of the trouble, attacks the disease, removes the cause, cleanses out and kills the inflammation, and permanently cures it. Dr. Agnew's Catarrhal Powder does all this, and it's no hearsay. It is made of purest ingredients, and is safe for all ages. It is a relief in all cases of Catarrh of the Bladder, and is a relief in all cases of Catarrh of the Prostate. It is a relief in all cases of Catarrh of the Uterus, and is a relief in all cases of Catarrh of the Vagina.
