The woman who wants a strong, healthy baby must see to it that she does not suffer from weakness and disease of the import-ant and delicate organs concerned in moth-erhood. Dr. Pierce's Favorite Prescription acts directly on these organs, allaying in-flammation, healing ulceration and soothing pain. It fits a woman for wifehood and motherhood. It bauishes the discomforts of the period of anticipation and makes baby's entry to the world easy and almost painless. It insures the newcomer's health and an ample supply of nourishment. It rids maternity of its perils. It has caused many a childless home to ring with the happy laughter of healthy children. Over 90,000 women have testified to its marvelous merits.
