EXITS AND ENTRANCES

"Ours" at the Prin-
cess Theatre next Monday and Tuesday
afternoon and evening promises to be
an immense success. It will be the first
military social event of the season and
as it is under the auspices of the com-
bined regiments of the city and the pa-
tronage of Their Excellencies Lord and
Lady Aberdeen, Sir Oliver Mowat and Miss
Jowett and the officers of the City Garri-
son, society will undoubtedly turn out
in mass. Lord and Lady Aberdeen have
witnessed the performance on Monday night.
"Ours" is one of the best English dramas
ever produced and the Cummings Stock
Company will certainly do the play full
justice, the cast being unusually strong,
while for the staging of the piece Mr. Cum-
mings promises that its equal has never
been seen in Toronto. Aside from this the
Queen's Own, Royal Grenadiers and 20-
thousand have arranged a number of novel
features, such as the physical drill, camp
fire postimes, etc., that are sure to
prove especially attractive and altogether
the entertainment promises to be the best
military affair ever given in the city.

A Popular Play Revived.
Next Wednesday afternoon the Cum-
mings Stock Company will begin their re-
gular weekly bill with an elaborate pro-
duction of that popular old play, "Hazel
Kirke". The piece, which is undoubtedly
familiar to every old theatregoer of To-
ronto, has not been seen here in years
and therefore will prove a novelty to the
younger generation and also a great treat.
The story of "Hazel Kirke" is an in-
credibly interesting one and no more fas-
cinating play has ever been written. The
Cummings Company seems exceptionally
well suited for the piece and an admir-
able performance should result. Florence
Kane will be seen in the title role, a part
that should give her a wide and popular
recognition. While Ralph Stuart will appear
as Lord Travlers and his portrayal of the
character is said to be unusually fine.

House on Monday evening, for a three
night's engagement, with a matinee on
Wednesday. The house orchestra will be
re-inforced by the musicians with the com-
pany, so that musically, at least, this
season's production of "The Gelsa" should
be better than any previous presentation.
The story of the "Gelsa House of Ten
Thousand Joys" is a fascinating one. The
cast includes the following people: Miss
Helen Boyton as O. Mimosa, San, Miss
Alexia Bessan as Juliette, Miss Minnie
Ashley as Mollie Semore, Miss Jeanne C.
Towler as Lady Constance Wayne, Mr.
Charles Danby as Wuu-Hi, Mr. H. W.
Frederick as the Marquis Imari, Mr. L.
Walker as Lieut. Reginald Fairfax,
Mr. W. H. Romaine as Police Sergeant
Tasemini, Mr. Albert Arling Parr as Lieut.
tenant Katana. The last named is a To-
ronto boy, who has made considerable ad-
vancement since he went into comic opera.

Comedian John W. World.
World, Garnella and Mack, the three
leading comedians in the successful farce-
company, "Topsy Turvy," have each won
their right to star by clever and original
work in other productions. They are all
excellent comedians, players, Mr. John
