Curious Turf Complication.

New Orleans, March 15.—The second race on to-day's card developed a series of complications. The race was a selling affair for 3-year-olds which had not won a race since Nov. 29, 1900. J. Barker Harrison's mare Cherries scored an easy victory and, after the race, at the usual outcry, Hayman and Frank bid her up to $1000, $500 over the entered selling price, and secured her. Subsequently G. C. Baker, owner of Dorothy Lee, who finished second, lodged a protest with the stewards, claiming that Cherries had won a race during the last week of the Bennings' meeting and was, therefore, ineligible. The protest was sustained and Cherries disqualified, but all bets were allowed to stand. Dorothy Lee was then placed first, Jan Wood second and Fleche D'Or third. The stewards then ruled that the sale of Cherries under the terms of the race, having taken place before the protest was lodged, was valid and ordered the mare turned over to Hayman & Frank. The weather was clear and the track good. Cherries, Trebor, Andes and Sim W., were the winning favorites.

First race, 6½ furlongs—Radiant Heat, 114 (Dupee), 15 to 1 and 5 to 1, 1; Masterful, 105 (Walsh), 8 to 1 and 3 to 1, 2; St. Bluff, 103 (Gormley), 15 to 1, 3. Time 1.24. Palmistry, Hazelmoor, Lord Lisa, Floyd Dixie, Novelty, Rarita and Miss Saracen also ran.

Second race, 6 furlongs—Cherries, 100½ (Miles), 3 to 5 and 4 to 5, 1; Dorothy Lee, 103 (O'Brien), 4 to 1 and 8 to 5, 2; Jane Wood, 99 (Slack), 3 to 1, 3. Time 1.16. Fleche D'Or, Agaras, Saline, Orrie Goan, Larry C., Blumist, Lightning Flash, Bobbaker and Scotch Bramble also ran.

Third race, mile and 70 yards, selling—Trebor, 115 (Vandusen), 8 to 5 and 7 to 10, 1; Locust Blossom, 109 (Cochran), 3 to 1 and even, 2; Red Pirate, 114½ (Caywood), 4 to 1, 3. Time 1.48. La Spara, Belle Simpson, Dagmar, Bequeath, Jack Adie and Inuendo also ran.

Trainer George Walker.

George Walker of Toronto, trainer for John F. Schorr, is classed as one of the best trainers in America, and is especially adept at developing young thorobreds. A Memphis writer has this to say of the successful horseman: Mr. Walker has trained many noted horses that are remembered by the younger generation of turf followers, such as Sligo, Meadowthorpe, Charlie Christy, Lieber Karl, Timemaker, W. Overton, Sam Phillips, Presbyterian, Sea Lion, F. W. Brode, Greenock, Algol, The Rush, Sea Robber, Ordnung and numerous others, to say nothing of Joe Frey, Alard Scheck, Lady Schorr, Silverdale, Bab, Farmer Bennett, Dangerline, Fred Hessig, George W. Jenkins and Dangerfield.

Mr. Walker is now developing 16 2-year-olds, and to his credit it can be said there is seldom a fractious or high-tempered young horse leaves his hands. He not only trains their muscles and develops their speed, but also trains their temper, and his own good-nature is discovered in the thorobreds developed by him. They are usually kind and gentle, but high-strung animals. Walker is a pleasant, affable fellow, but a close observer and a deep thinker. He has a natural love for a horse, and part of his success is due to this fact.

Jimmy Walsh Riding at Frisco.

Jimmy Walsh is one of the many Toronto boys following the racing game away from home. He is now at San Francisco riding for Pat Dunne. The Bulletin tells a good story of an escapade off the track, that will be read with interest by the lad's many friends here:

Jockey Jimmy Walsh took a notion the other evening that he would like to see the sights of San Francisco, but, not having the necessary expense money to satisfy his wants, he borrowed a large silver dollar from Pat Dunne. After carefully perusing all the bill boards, Jimmy arrived at the conclusion that he could have the largest time for his money at the animal show, which is being held at the pavilion. Filling his pockets with candy and chewing gum, he proceeded there and took a front seat, where nothing would escape his observation. Jimmy was determined to get his money's worth. The show began. After a couple of acts the ringmaster brought out an innocent-looking donkey, and in clarion tones announced that he would give the boy $1 who could ride it around the ring. Several boys tried, and Jimmy watched the spills in the sawdust with pleasure. The ringmaster called for more soldiers, which brought Jimmy to the spot. On the treacherous donkey he got, pulled up his head quickly, and at the same time administered a kick in his ribs. The donkey forgot all about his tricks and galloped about the ring amidst the applause of the audience. Jimmy brought the donkey to a halt after some pulling, received his dollar and took a back seat, while other boys tried to repeat his success, but each and all failed. While they were rolling in the dust Jimmy was thinking how he could earn another dollar. After much coaxing he persuaded a strange boy to loan him his hat and coat, so that the ringmaster would not recognize him. He was just in the act of taking his mount when the man discovered him and Jimmy lost his chance to earn another dollar.

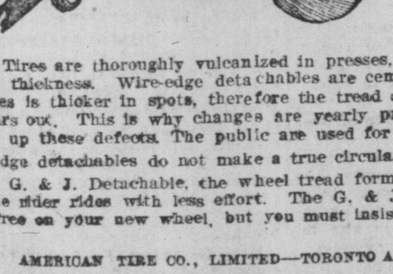
A True Detachable



The Soft-Edge Detachable

G. & J. Tires are thoroughly vulcanized in presses, which makes the tread of equal thickness. Wire-edge detachables are cemented by hand. Cement sometimes is thicker in spots, therefore the tread above is higher and readily wears out. This is why changes are yearly promised in the hopes of covering up these defects. The public are used for experimenting purposes.

Wire-edge detachables do not make a true circular tread like the G. & J.

In the G. & J. Detachable, the wheel tread forms an absolutely true circle. The rider rides with less effort. The G. & J. is the fastest detachable. Free on your new wheel, but you must insist.

IN THE WORLD OF LACROSSE.

Eastern Men Favor Enlarging Big League and Would Admit Pt. St. Charles and Tecumsehs.

Now that the Point St. Charles A.A.A. have definitely decided to take over Queen's Park, it was only natural that their lacrosse team should become more ambitious, and be anxious for admission to the Senior League. The annual meeting will be held in a few days, and their formal application will be made.

In connection with this, Ald. James Davidson, president of the Capital Lacrosse Club, of Ottawa, sticks to his idea that the progressive standard should govern the admission to the leagues, and says he hope to live to see that idea predominate. Merit alone will then determine a club's standing.

If the scheme is feasible, Ald. Davidson would be in favor of having Tecumsehs of Toronto in the Senior Canadian League, judging by his remarks on that subject. He says: "I do not think Tecumsehs have been treated fairly. They have a good team, but it is urged that there is corporate capital behind the club, which would seek to secure players from the outside to win games. That may be, but we could easily fix it so that no man should play with the team who had not been a bona fide resident of Toronto for a year, and you can bet no club is going to keep a man a year in order that he may play lacrosse the year following. This would also apply to the Points."—Montreal Gazette.

PITCHER HAD DOUBLE PULL

How Cooper Accepted Advance Money From Both Detroit and Toronto.

STALLINGS RELINQUISHES CLAIM

Local Directors Meet—Charlie Maddock Appointed Ground Superintendent.

Pitcher Cooper, Toronto's new slab artist, seems built on the catcher's plan, judging from his wonderful ability to receive advance money. Not content to draw from Manager Barrow, the wily twirler has been pulling Detroit's leg for various sums. The matter was brought up at the directors' meeting yesterday, when a very friendly letter was read from Manager Stallings, who declared his willingness to abandon any claim to Cooper's services on being recouped for his advances. The board directed Treasurer Soole to remit the sum in question. Other players will also receive the advance money demanded.

Stock certificates for the additional subscriptions were ordered to be issued. All the remainder of the $10,000 shares has been taken up, except $1100. It was decided to issue travelers' $10 book tickets, good for 30 games, including grand stand. The general admission will be 25 cents, with 15c extra for the grand stand. It was decided to have tenders for the privileges of fence advertising, score cards, refreshments, bicycle checking and cushions sent to the office of Secretary H. C. Cook, No. 52 Bay-street.

The appointment of the veteran and ever popular Charlie Maddock as superintendent of Athletic Park was unanimously made for six months, his duties to begin April 1.

Messrs. Cooch and Manly were appointed a committee to wait on the Toronto Senior League at the Ocean House next Tuesday and endeavor to have the amateurs use the grounds. Reasonable terms will be offered.

WOODSTOCK AND PARIS TIED.

Hockey Teams Win a Game Each on Their Own Ice for the Fawkes Trophy.

Woodstock, March 15.—The local hockey team defeated Paris here to-night by 4 to 1. It was one of a series of games for the Fawkes Cup, and by winning this the teams are tied, as Woodstock won at Paris on Tuesday night. The game to-night did not start until 9.15, owing to a dispute over a referee. It was agreed at the first of the week that a Paris man should referee at Paris and a Woodstock man here.

The Paris game came off all right, and Paris put on the man of their choice, but when the Woodstock people produced Cully Farnsworth to-night the Paris team objected. They refused to go on the ice, and proceeded to take their skates off. There was only one man in the city they would have, and that was Harvey Powell, a member of the O.H.A. Executive. Mr. Powell was not at the rink and could not be found. Paris persisted in their demands, and at times there was talk of giving the money back to the spectators, of whom there were between 1200 and 1500. Finally the visitors agreed to George Price, and the game started after the crowd had waited an hour and a quarter.

In the first half the game stood 3 to 0, while each team scored one goal in the last half, Woodstock winning by 4 to 1. The tie will have to be broken now, and a game will probably be played in Ingersoll. The teams were:

Woodstock (4)—Goal, McHardy; point, Brown; cover, Caister; forwards, Nethercott, Miller, McLellan, Pascoe.

Paris (1)—Goal, Fraser; point, Brown; cover, Stewart; forwards, Layden, Gillard, Taylor, Adams.

Newmarket Beat Parkdale.

Newmarket, March 15.—The Newmarket Hockey Club added another victory to their list last night by defeating the South Parkdales by a score of 9 to 7. The half time score was 6 to 4 in favor of the home team. A large crowd witnessed the game, which was fast and clean thruout. Mr. Tom Kelly refereed to the entire satisfaction of both teams.

For Ladies Tennis League.

A Ladies' Lawn Tennis League will probably be formed in the city this season. Of the five clubs which have lady playing members, Victoria, Rusholme, Canada, St. Tiban's and St. Matthew's, four at least will join the league and play a series of matches. Further arrangements will be announced later and a schedule arranged as soon as the men's dates have been fixed.

Billy Harrison, so well known in athletic circles around Varsity, has been appointed private secretary for Hon. James Ross, Commissioner of the Yukon District, and leaves for Dawson City on Tuesday morning. Tho Billy was the head man in his class at Osgoode Hall, he has decided to drop law for the present at any rate. Varsity football and baseball teams will find it very difficult to fill his place.

BROADVIEW BOYS' BRIGADE

Fourth Annual Banquet in Dingman's Hall Was a Most Creditable Affair.

LORD STRATHCONA SENT A CHEQUE

He is Honorary President and Was Sorry to Be Absent—A. E. Kemp, M.P., Presided.

The large assembly room of Dingman's Hall was crowded last night on the occasion of the fourth annual banquet of Broadview Battalion Boys' Brigade. The guests were received by Mrs. A. E. Kemp, Mrs. G. Sterling Ryerson and Mrs. Goldie, patronesses of the battalion.

The decorations, the work of the R. Simpson Company, were the finest ever seen in the hall. The entire ceiling and walls were draped in white and red bunting, the colors of the corps. The crest of the battalion consisting of an anchor with a suitable inscription was prettily worked in colors in the centre and Union Jacks were plentiful thruout the hall. Covers were placed for 350 persons.

To the music of the bugle band the boys of the brigade marched in and took their seats at the tables. While justice was being done to the good things on the tables the orchestra of the battalion, assisted by the Toronto Mandolin and Guitar Quartet, provided sweet strains of music. Flowers and palms were arranged on the tables in great profusion.

"Themes" Instead of Toasts.

Mr. A. E. Kemp, M.P., hon. vice-president, presided, and before introducing the toast list, made reference to the healthy condition of the battalion and the good work it is doing. A song by Miss Ethel Powell, entitled, "Greeting to the King," followed the opening address.

Themes were proposed instead of toasts, the first being "Our King," by the chairman. Responses were made by all present rising and singing "God Save the King." While this was being sung a picture of His Majesty was shown on a screen at the rear of the hall.

The next theme was "Dominion and Provincial Parliaments," proposed by Mr. Thos. McGillicuddy.

Future of the Great West.

Walter Scott, M.P. for West Assiniboia, responded, and set forth the objects and aims of both Parliaments. He, as a representative of Western Canada, made a few remarks about that great country, stating that in the near future the vast resources which it contained would be developed and a large increase in population would consequently follow.

Mr. W. N. Hoyle, M.L.A., North Ontario, also responded. Miss Pearl O'Neill gave a reading which was greatly appreciated.

"Canada, Our Home Land," was the next on the list. Mr. T. L. Church, in proposing this, gave a short history of our country, showing the rapid progress made in the last few years in all branches of trade, learning and agriculture. "The Maple Leaf" was then sung by a chorus of girls. Quite a lengthy response was made to this toast by Mr. Hoyle, M.L.A.

Mr. Atkinson Appreciated.

Mr. C. J. Atkinson, president, was called to the platform and presented with an address and a valise as a slight appreciation of his services to the battalion. Mr. Atkinson made a short speech in reply, and read a message of greeting from Lord Strathcona, the hon. president, expressing his sorrow at one being able to attend, and saying he felt it a great honor to be hon. president of such a battalion. He enclosed a cheque for $100. Three cheers and a tiger were then given for Lord Strathcona.

Songs by Miss Ethel Powell and Harry Bennett followed.

The Other Themes.

Lieut.-Col. G. S. Ryerson proposed "The Boys' Brigade." The response was given by Hubert Carleton, M.A., of the Church Boys' Brigade, and H. B. Duncan-Clark, captain of the 9th Toronto Company. A reading was then given by Miss Pearl O'Neill.

"Our Old Boys' Club" was proposed by Color-Sergt. Gould. The response was made by I. R. Lewis, O.B.C. The chairman proposed "The Ladies." John A. Patterson, K.C., responded. "Our Friends" was the last theme, bringing to a close the most successful banquet in the history of the battalion.

VARSITY ASSAULT-AT-ARMS.

A Varied and Most Interesting Program of Events Was Admirably Carried Out.

The annual assault-at-arms given by the Gymnasium Club of Toronto University last night was a decided success. Such exhibitions are prone to be tedious, but not so with Varsity. To fill in space and enliven things generally an excellent orchestra provided music, while the inimitable clowns, P. Biggs, Urquhart and MacDougal, made the fun for the evening.

The program of 17 numbers included both class and individual work. The work was on the mat, trapeze, horizontal and parallel bars, also contests of sabre and bayonet. In the sword v. bayonet Bertram and Gray were the winners. The tug-of-war between Knox and S.P.S. was won by the former in two straights. The sparring between Mr. Scholes and Sergt. Williams was fast and furious, and an excellent exhibition. Another feature of the evening was a Lloyd-Lindsay, which is a militray exercises in attack and defence. The presentation of the championship medals of the fencing club was made to J. R. Roaf, in the senior class, and to F. W. Baldwin, in the junior.

The work was excellent in all classes, the men working accurately and neatly, and it reflects great credit on the untiring efforts of their instructor, Sergt. Williams. The club is to give an exhibition at Port Hope, and will probably take a tour around Ontario.

FORTY PEOPLE IN PERIL.

Steamer Indiana of Goodrich Line in a Helpless Condition Off Racine, Wis.

Racine, Wis., March 15.—Forty persons 15 of whom are passengers, are in great danger aboard the Goodrich Line steamer Indiana, which lost its rudder off North Point, outside this port, early to-day. The steamer was within 100 feet of the shore, when tugs succeeded in getting a line aboard and towed it out. No further trouble was apprehended. The anchor was run out, and, for a time, the vessel rode the heavy sea. Soon, however, the anchor began to drag, and the steamer gradually drifted southward, under a strong gale from the northeast, and it is feared that before nightfall the rocky shore will be reached. Hundreds of people have lined the shore south of this port thruout the day, and preparations to take off the passengers and crew have been made.

"Sae Let the Lord Be Thankit"—Highlanders Quoted Burns to Their African Heroes.

The men who represented the 48th Highlanders in the Canadian contingents in South Africa should feel proud indeed of the brilliant welcome extended to them by the officers, non-commissioned officers and men of the regiment, in the Assembly Hall of the Confederation Life Building last night.

The reception took the form of a banquet of colossal proportions. Over 500 soldiers and their guests were seated at the festive board. Webb catered to the throng, and his corps of 50 waiters were kept very busy during the early part of the evening dodging in and out of the narrow aisles between the tables.

Col. Macdonald Presided.

There were 12 tables set. The one at the head stretched from the east to the west end of the big hall, and the centre chair was occupied by Lieut.-Col. Macdonald, the justly proud commander of the Kilties. Col. Otter, D.O.C., sat at his right, and Lieut.-Col. George T. Denison at his left. Other guests at the head table were: E. F. Clarke, M.P., Lieut.-Col. J. I. Davidson (the first colonel of the regiment), Lieut.-Col. Young, Vet.-Major Smith, Frederick Wyld, Lieut.-Col. Clarence A. Denison, W. Mortimer Clark, K.C., Rev. Dr. Armstrong Black, Surgeon-Lieut.-Col. Ryerson, Dr. Daniel Clark, Major Robert Myles, Major J. T. Fotheringham, Dr. J. A. Temple, Surgeon-Major Stuart, Thomas Dunnett, Major Orchard, Lieut.-Col. J. M. Alexander, Major D. M. Robertson, Surgeon-Lieut. King-Smith, ex-Ald. Bernard Saunders, Robert Swan, Major J. Galloway, P.S.O., Captain J. W. Cotton, A.M.S., Capt. W. R. Lang (Lanarkshire Royal Engineers), Alex. Fraser, M.A., W. Campbell, H. R. Frankland, William Simpson and R. Drummond.

Khaki Men in the Centre.

The other tables were assigned, one to each company, each being presided over by the senior officer. The centre table, which branched down the hall immediately in front of the chairman, was reserved for the khaki-clad guests of the evening. At the centre of this table was a large banner, bearing the word, Welcome, and around it sat Col.-Sergt. Fred Lorsch, R.C.R.; Pte. N. L. Morley, R.C.R.; Pte. J. Hornibrook, R.C.R.; Trooper J. Duguid, R.C.D.; Pte. J. D. Spence, R.C.R.; Trooper C. O. De Lisle, R.C.D.; Trooper A. E. Pickworth, C.M.R.; Trooper J. Potts, R.C.D.; Pte. F. Blain, R.C.R.; Col.-Sgt. A. R. McGregor, R.C.R.; Sgt. W. H. Grant, R.C.R.; Pte. F. H. Dunham, R.C.R.; Pte. Alex. Sinclair, R.C.R.; Lance-Corp. J. A. Smith, R.C.R.; Pte. J. C. Davidson, R.C.R.; Pte. P. G. D. Webster, R.C.R.; Pte. J. Baldwin, R.C.R.; Pte. J. C. Whitehead, R.C.R.; Pte. C. W. Hopeson, R.C.R.; Pte. E. T. Weller, R.C.R.; Pte. M. W. McNish, R.C.R.; Pte. T. H. Banton, R.C.R.; Pte. George M. Smith, R.C.R., and Lieut. R. H. M. Temple, R.C.R.

In addition to the khaki men were several members of the Highlanders, wearing the uniform of the provisional regiment, 3rd R.C.R., who were recently discharged. They were: Signal Corp. Hanson, Corp. Elliott, Corp. Cooper and Pte. Sydney.

Other members of the Highlanders who fought in South Africa are: Lieut. Norman Cosby, R.C.A.; Lieut. Lorne Cosby, N.W.M.P.; Pte D. McPherson, R.C.R.; Pte. J. Mitchell, R.C.R.; Lieut. K. D. Simpson, Cape Town Highlanders; Trooper W. Muir, R.C.D.; Pte. C. L. McKenzie, R.C.R.; Capt. J. F. Ramsay, Brabant's Horse, and Sergt. T. Wasson, Roberts' Horse.

Inviting Tables.

The immense banquetting hall was splendidly decorated with all manner of flags and bunting and on each table were vases containing choice flowers, ornamental dishes, banked up with luscious fruits, bottles full of business, combined with pleasure, and an array of silverware and glasses that augured well for the next few hours.

The regiment paraded in the corridors below the assembly hall and each company, headed by its piper, playing for all he was worth, marched upstairs and took positions at the table assigned for it. H Company came first and sat at the long table in the east end, under the shadow of a big flag, showing the lion rampant. Each company followed in succession and then the South African men were marched in. The electric lights, which shed their rays upon the gathering, were toned with red, white and blue shades, while energetic fans kept the hall at a sufficiently sociable temperature to provide for a hot time.

The Viands Surrendered.

The onslaught upon the viands was a well-planned attack. The regiment took up a position which thoroly surrounded the dishes and the loot was of a very satisfying nature.

Shortly before 10 o'clock Col. Macdonald called the regiment to order. "48th Highlanders," he roared in the voice which finds its way into the innermost recesses of the Armouries on Friday nights and raps the eardrums of every officer and man on parade.

The rumble of talk which filled the hall before the stentorian shout rang out immediately subsided, and every man stood—or, rather, sat—at attention. A cloud of blue smoke soared toward the ceiling and thru it. Col. Macdonald proposed the health of King Edward VII. Five hundred glasses were raised aloft, and 500 voices made a grand chorus in the rendition of the National Anthem, and followed it with cheers that reverberated thru the building.

The Toast List.

The toast list was one that called for patriotic sentiment from start to finish. Col. Macdonald proposed "The Dominion Parliament and Local Legislature," and Mr. E. F. Clarke, M.P., responded for the men who, in the words of Charles Kingsley, "Do noble things, not dream them all day long."

Col. Macdonald also proposed the health of "Returned Comrades," and several of the battle-stained soldiers made modest replies. The toast to "The Empire" was most eloquently proposed by Rev. Dr. Armstrong Black, chaplain of the 48th Highlanders, and was responded to in a characteristic manner by Lieut.-Col. George Taylor Denison.

Col. Davidson Always Popular.

The always good-humored Lieut.-Col. Davidson made a happy reference to the "Canadian Militia," and was roundly cheered when he proposed the toast to that efficient body. Response was made by Col. Otter and Surgeon-Lieut.-Col. Ryerson, both of whom saw about all that was to be seen from the front seats of the South African panorama.

Ex-Ald. Saunders spoke on behalf of the "City Corporation," and the toast to the "Guests," proposed by Major Robertson, was responded to by Dr. Daniel Clark, W. Mortimer Clark, K.C., and others.

The odor of early morning air was finding its way thru the elevator shafts and the spiral stairway when the audience again rose to sing "God Save the King."

A Great Undertaking.

This was probably the largest affair ever undertaken by the Highlanders, but the manner in which it was carried out simply showed what can be done when business-like effort is made. Major Wilbur Henderson was the guiding star of the committee, and Lieut. Colin C. Harbottle was the new star which was recently discovered. The seven sisters were Captain J. H. Mitchell, Captain Hugh McLean, Captain C. J. Catto, Lieut. Percy Taylor, Color-Sergt. A. A. Miller and Bugle-Major Armstrong. Sergt. F. Davidson, Corp. G. Anderson, Pte. T. Sandford, Pte. R. C. McInnes, Pte. A. C. Wainwright, Pte. W. S. McKay and Pte. R. Renton were the other hard workers on the committee.

During the evening a musical program was rendered by Messrs. J. Alexander, D. C. McGregor, R. Drummond, Bert Harvey, Harry Blight and several other talented gentlemen, assisted by a large orchestra.

BOTHA, DELAREY, DEWET

DEWET IS A MADMAN.

Such is the Opinion of Prisoners Recently Released by Him.

Bloemfontein, Orange River Colony, March 15.—Prisoners who have lately been released by General Dewet say they think he is a madman. They aver that the terrible fatigues he has undergone, his anxieties and the intensity of his feelings have unhinged his mind. Apart from this view of General Dewet's mental state, some of his peculiarities are that he rarely sleeps within the bounds of his camp. He seeks rest outside, with a few trusted followers. Thus, the orderlies of his subordinate commanders are frequently unable to find him to receive orders. His secrecy is extreme. He absolutely imparts his plans to no one. He repudiates the peace negotiations which are going on. He has declared openly to the men under his command that no terms except independence will satisfy him. A recent utterance attributed to him is that after the British he hates the Transvaalers. His whereabouts during the last two or three days are unknown, nor is it known whether President Steyn is with him.

Kritzinger Eludes British.

Adelaide, Cape Colony, March 15.—Kritzinger's commando is working northward and has eluded three British columns. It passed here on both sides of the town without attacking.

Kritzinger's men have carried off all the horses in the Albany district, for which, as they are registered, Great Britain will have to pay £10,000 ($50,000).

The raiders were civil to the inhabitants, tho they commandeered horses and food. They did not wantonly destroy property, and in many cases offered cash for food.

Not Much Interest in France.

Paris, March 15.—The pro-Boer congress is not exciting great interest here, but the promoters believe something tangible will be accomplished.

A few Boer refugees are now finding their way to Paris. They all say that it is late in the day to commence action: that six months since the powers might have done something, but that the best thing the friends of the Boers can do now is to help restore them to their farms at the conclusion of peace and prevent their being frozen out by British capitalists buying up mortgages.

They still have hopes of a free government if they can be restored to their farms, but not if the Transvaal shall become a second Ireland, with land in the possession of foreigners.

Woodstock College Closed.

Woodstock, March 15.—Woodstock College will be closed till April 10 owing to the outbreak of scarlet fever. Every student will be fumigated before leaving for home.
