The World's Triple Baseball Conte that proved such a success a year ago will be repeated again this spring, the first coupon to appear to-morrow. Three season passes good for every Eastern League game at the Toronto grounds with be given to the successful guessers, one for the sadies alone, another for men and the third for bo.n.

Representatives of Tom Longboat and Annea Shallo yesterday handed mashed cheques valued at \$1000 to the sporting Retired Champion Makes An-Editor of The World as a guarantee that the runners would live up to their agreement to meet in races of rifteen and twenty miles, the first probably in New York around May 24 and the longer event likely at month later, both dependent on the indensity and the immediate sufficiently to permit him to train. The Englishman's cheque of 500 was by his own hand, while the other also of the same amount was highed by T. C. and Mrs. T. C. Longboat.

The kick was repeated. Harry Gilmore, the ex-champion, formerly of Toronto, then told his son to hand him his coat and swing on the man. Young Gilmore did so and knocked four teeth out of Hoagland's mouth. The teeth cut the back of his hand, and two days later the swelling was so bad young Gilmore consulted a physician, who set to work at once to save the arm, ir possible. It was on this account that Gilmore was kept home when the matching of Nelson and McFarland was on.

W. P. Fraser, secretary of the Ontario Jockey Club, left nothing in doubt when asked the status of owners, trainers and Jockeys who participated in the ers and Jockeys who participated in the Dufferin Park meeting. As announced last fall they are all barred from the tracks of the Canadian Racing Association, and already guilty horses have been ordered out of Woodbine Park and offending owners refused the entry of their horses in O.J.C. stakes. Asked about the bookmakers Mr. Fraser diplomatically replied: "We have nothing to do with betting."

The Grand Circuit for Toronto was discussed extensively at the meeting of the Toronto Driving Club last night, and furthermore it was decided to hold the annual meeting during the Woodbine races, when the proposed big harness meeting will be further discussed. It is the intentionate interest the O.J.C. directors in the scheme, as the circuit races must be decided on a mile track.

Meanwhile the following from The Philadelphia Record will prove nice reading for lovers of the trotters and pacers: Secretary H. D. Shepard of the Columbus Driving Association, has announced, as secretary of the Grand Circuit, that Toronto may take the week left vacant by the withdrawal of Poughkeepsie. President W. W. Collier of Detroit has formed an association and offered the use of the track there for a fixed sum, which if reasonable enough that perhaps with more negotiation the offer can be met.

met.
This would give two Canadian meetings in succession, the races at Fort Erie (across from Buffalo) immediately preceding this meeting. The sportsmen there like harness racing, and a meeting there appears to the Grand Circuit officials. The story printed earlier in the week that Dover, N. H., had the zacant date was premature. No betting is allowed in New Hampshire.
