Broomhall cables from Liverpool: France—Complaints continue to be received of light crops and poor unfilled ears. It is generally conceded that there will be large imports necessary. The weather continues unfavorable. The foreign crop summary will be issued to-morrow.

West is Still Optimistic.

Mr. Fred Osborne, bookseller, of Calgary, Alta., was in the city yesterday, and in conversation with The World stated that while conditions in that province were not as favorable as last year, they were not as bad as some reports indicated. There was no doubt but that the west would have a short crop this season, but he could see no reason for being blue over the prospect. Some curtailment in business would of course be necessary, but everyone was optimistic over the ultimate prospects for the west as a whole.

Winnipeg Wheat Lower.

WINNIPEG, July 26.—A sharp break in July wheat was the feature in trading on the grain exchange here. Opening at yesterday's closing level, it sold off quickly and closed at net decline for day of 2¾c. October closed about 1c lower, and Dec. 1⅜c lower. There were no indications of support.

Chicago Gossip.

J. P. Bickell & Co. say at the close:

Wheat—Lower—Increased winter wheat offerings and weakness in security list were factors that made possible a decline of 1¼c to 1⅜c. Market still has appearance of a trading affair, until effect of new wheat offering on cash values is more apparent. Accept moderate profits on bulges.

Erickson Perkins & Co. had the following at the close:

Wheat—The weakness in the stock market and hedging against liberal country acceptances were factors contributing to the decline. Talk of free deliveries on July contracts also had a weakening effect. Southwestern markets were relatively firmer than our own. Break in wheat to-day can be attributed to the easier tone of the European markets, which has left our market without support from that quarter, thereby making the movement of winter wheat the dominating influence. We do not look for any serious break, altho prices may go some lower on this turn.

Corn—There was considerable liquidation by the long interests, both local and for outside accounts. Prices held fairly well considering the rapid advance of yesterday. Short sellers evidenced no great desire to press that side after recent experience. Country acceptances were again fair and cash prices locally were easier with the futures. We consider the recent advance in corn entirely too rapid, and not warranted by conditions as they are reported to us, and we look for a good recession in values, altho short selling must necessarily be attended with some considerable degree of risk.

Oats—Market lost all of yesterday's advance, which was based solely in sympathy with the strength in other grains.

64 CARS AT CITY YARDS TRADE DULL, QUALITY POOR

Prices Easy at Monday's Quotations —Hogs Unchanged at $9.75 Cwt.

Receipts of live stock, as reported by the C.P.R., were 64 carloads up to 3 p.m., consisting of 974 cattle, 544 hogs, 991 sheep and lambs, 253 calves and one horse.

The quality of the cattle was generally common, with a few medium to good.

Trade was slow at about the same prices as paid on Monday, quality considered.

Of the above number of cattle, there were 283 that came from the Junction, and at least 230 of these were not for sale, which would leave not more than 750 cattle on sale, which was ample for all demands.

For prices of cattle, sheep, lambs and calves, see the many sales quoted by the different commission salesmen.

Hogs.

Mr. Harris quotes selects, fed and watered, at $9.70 to $9.75, and $9.46 to the drover for hogs, f.o.b. cars at country points.

Representative Sales.

Corbett & Hall sold three loads of live stock, as follows: Butchers' steers and heifers, $5.20 to $5.75; cows, $4 to $4.75; 60 lambs at $8.10 per cwt.; 6 calves at $7.50 per cwt.

Maybee & Wilson sold: One load of butchers, 950 lbs. each, at $5.50; one load of mixed, 850 lbs. each, at $4.75; 10 cows, 1150 lbs. each, at $4.65; 10 cows, 1000 lbs. each, at $4; 4 milkers at $50 each.

Dunn & Levack sold five loads of cattle, as follows: Butchers' steers and heifers, $5.25 to $6; cows, $3.25 to $5; 4 milkers and springers, $44 each, and two at $50 each; one bull at $5.20.

Crawford & Co. sold two loads of cattle—steers and heifers, $4.60 to $5.10; cows, $3.50 to $4.50; stockers, $4.15 to $4.40.

Representative Purchases.

Wesley Dunn bought 100 sheep at $4.15 per cwt.; 400 lambs at $7.85 per cwt.; 100 calves at $7 per cwt., all of which are average quotations.

D. Rowntree bought 100 lambs at $7.75 per cwt.; 20 sheep at $4 per cwt.; 25 calves at $7.25 per cwt.

Wm. Crealock bought one load butchers, 950 lbs. each, at $4.40 to $4.80, and cows at $4.10 to $4.40.

W. J. Neely bought 60 butchers at $5 to $5.75; cows at $4 to $4.75.

Market Notes.

Farmer J. Stewart of Dixie P.O., sold to Wm. Harris the best Berkshire sow, weighing 640 lbs., at 8c per lb., that probably was ever seen on this market.

S. Hearn, Millbank, topped the market for the best milch cow at $55.

Drovers shipping their stock via Canadian Northern Railway were anything but pleased at the service rendered by that road. Several of said drovers reported to The World that their stock arrived at Cherry street siding at 9 p.m. Monday, and were allowed to remain at that point all night in the cars, and did not reach the market until 9.30 a.m. Tuesday. When unloaded they were in no fit state to place on sale, which caused these drovers to have to remain over another day. Not only that, but some of the cattle were in a lamentable condition, one milch cow being badly gored.

Had this been the first complaint about the service this road gives its live stock patrons, we would have been inclined to excuse them, on account of the strike. But complaints have been made to The World almost weekly for some time past by drovers about the late arrival of their cattle at the market. Cattle shipped at Richmond Hill, about 15 miles away, hung on the road from 8 p.m. Monday till 9.30 Tuesday, is an outrage, and a cruelty to animals, that ought not to be tolerated in a civilized country.

It is about time somebody was trying to find a way to put a stop to such cruelty to animals, and make the railway recoup the drovers for loss of time, as well as damages done to stock, for neglect of delivery in a reasonable time. What are the Drovers' Association doing, that they are not trying to remedy this matter? And surely Commissioner Harris ought to be able to render some assistance to the patrons of the City Market.

JUNCTION LIVE STOCK.

Receipts of live stock at the Union Yards were 15 carloads, consisting of 220 cattle, 110 hogs and 82 sheep.

There were 263 cattle left over from Monday, which, with 220 fresh arrivals to-day, made 483 cattle on sale.

Trade and prices for cattle were about the same as on Monday.

Rice & Whaley sold: 48 sheep, 150 lbs. each, at $4.25 per cwt.; 13 bucks, 210 lbs. each, at $3.25 per cwt.; 25 lambs, 72 lbs. each, at $7.50 per cwt.; one load of feeders, 900 lbs. each, at $4.80; one load of steers and heifers, feeders, 900 lbs. each at $4.35; 10 butchers, 950 lbs. each, at $5.60.

Geo. Campbell bought 22 exporters, 1067 lbs. each, at $6.15.

D. B. Martin & Co. bought 26 cattle.

Gunns, Limited, bought 55 cattle.

J. Bland bought 26 feeders.

Mr. Newitt of Montreal bought 20 cattle.

Coughlin & Co. shipped out three carloads for clients for export.

Another firm bought 50 butchers' cattle, which left in the neighborhood of 50 cattle unsold.

Swift & Co. bought 53 sheep, 155 lbs. each, at $4.25; 15 rams, 200 lbs. each, at $3.25.

The D. B. Martin Co. bought three sheep, 130 lbs. each, at $4 per cwt.; 11 lambs, 85 lbs. each, at $7.50 per cwt., and the hogs on sale at $9.40 f.o.b. cars, country.

McDonald & Halligan sold 22 exporters, 1067 lbs. each, at $6.15.

In our report of Monday's market, we stated that the firm of McDonald & Halligan topped the market with 14 export steers brought in by P. J. Henry of Ridgetown, Ont., and sold to John Brown of Galt, Ont., but omitted giving the price, which was $7.12½ per cwt.
