"Goat" Came Back.

Resuming the adjourned debat upon the address in reply to the speech from the throne. Judge Mackenzie, Liberal member for North Cape Bre-ton, said that Sir Sam Hughes had been driven out of the government, and Dr. Sproule had been transferred from the Speaker's chair to the senate at the demand of the Nationalists, because they were leading members of the Orange Order. The real reason for the minister's dismissal had never been made public. Apparently he had been made the scape goat. All the sins of the government had been laid upon him, and he had been led to the wilderness by the minister of public works (Hon. Robert Rogers), and the minister of finance (Sir Thomas White), but they had not led the goat far enough away; they had not succeeded in losing him in the wilderness. The goat was back.
