HOUSE OF ASSEMBLY.—We were anxious to give the names of the Members of the House of Assembly in the usual place in our Almanack this year, but the late period at which the Election is to take place, renders it impossible for us to do so. However, that no disappointment may be caused thereby, we shall prepare a page of a size uniform with that of the Almanack, containing the names of the members, as soon as the returns can be procured, which will be given *gratuitously*, to those who shall have previously purchased the Almanack.

* Members of the Legislative Council.

Township of Douglas.—By an Act, passed during the last Session of our Provincial Legislature, this township has been divided into three separate and distinct townships ; viz: The Eastern section, including the nine mile River and Upper Shubenacadie Districts, to be called DOUGLAS; the Western section, including Kennetcook and Noel Districts, to be called MACLEAN; the North Eastern Section, including Lower Shubenacadie and Five Mile River Districts, to be called MAITLAND.

Township of Ramsay.—The name of this township has been changed by an Act of the Legislature; it is now called the township of STIRLING.
