The Fragrant Qualities of Master Mason

READY RUBBED SMOKING TOBACCO

Are all in the leaf used in the making of it.

We have for years hunted the subtle and elusive elements of goodness in tobacco; we know what they spring from; we know how to retain them in the process of making smoking tobacco.

The raw leaf used is the whole thing; the goodness is in the tough, waxy finish and silky fiber of the leaf we use in making

MASTER MASON

READY RUBBED

In the process, we merely deprive it of all possibilities of "sting" or "bite".

The result is a really fine smoking tobacco, a cool, mellow, free and even burner to the last shred, with a rich and pleasing aroma.

These qualities cover all there is in smoking enjoyment.

Get MASTER MASON in neat handy tins ready rubbed for the pipe. 15c.

630,000,000 BUSHELS OF WHEAT POSSIBLE

(Bradstreet's.)

In keeping with the excellent reports throughout April as to the winter-wheat crop's condition, the Agricultural Department's report as of May 1 shows a slight gain in the condition of the crop as a whole and a very small abandonment owing to winter killing. The result is that the very high condition reported on December 1, 1913, and April 1, 1914, has been practically maintained, and the prospect for a very large crop is bright.

630,000,000 bushels, a total of 107,000,000 bushels larger than the hitherto record crop of 1912-13, and to that extent the largest yield ever gathered.

Be Particular About Jewelry

Jewelry is worn for personal adornment. It enhances your beauty and discloses your taste. It is the becoming and artistic little things one wears that win admiration. That is why people of discrimination are particular about their jewelry.

Good taste demands that jewelry shall be genuine. You would not knowingly purchase any other kind.

If you are particular about the kind of jewelry you buy, come in and see our displays. You will find only genuine articles honestly represented. The assortment of beautiful and artistic ornaments is so varied that you will be sure to find articles to please your individual fancy.

BAPTIST MINISTERS.

(Maritime Baptist.)

Rev. M. E. Fletcher, secretary of the eastern section of the Foreign Mission Board, spent last Sunday in St. George. The next few weeks will find him in his office directing the Judson centennial campaign.

Rev. W. B. Beanson of Dorchester, will have the sympathy of the denomination in the loss of the Upper Dorchester church, which was burned last week. The church was not insured, and the loss will be about \$2,000.

Rev. G. P. Mode, formerly pastor of the Zion church, Yarmouth, N. S., has been appointed to the faculty of the Divinity School of the University of Chicago. He is lecturer in Church History and secretary of the school.

Rev. H. C. Estabrook, a former pastor in Nova Scotia and New Brunswick, has retired from the secretaryship of the Home Mission Board of British Columbia. He is taking a well-earned rest on his orchard ranch in Sumnerland, B. C.

Rev. I. E. Vanwart has resigned his charge of the Millville, N. B., group of churches. He has done excellent work in that field and announces his readiness for service elsewhere after May 31.

Rev. Prof. Simon Spille, Ph. D., of Acadia, is supplying the pulpit of the West End church, Halifax, until the arrival of their new minister, Rev. G. F. Bolster, on May 24.

Rev. J. D. Freeman, McMaster preacher of 1914, received from that institution the degree of D. D. Dr. Freeman's baccalaureate was characterized by the Toronto press as a noble and brilliant effort. He will wear worthily the new honor which he carries with him to the mother country.

Rev. J. D. Spidle of Kentville, N. S., the newspapers report, baptized forty candidates on the last Sunday in April, and between fifty and sixty persons were welcomed into the fellowship of the May communion.

Rev. Selmon W. Cummings, pastor of the First Baptist church, Pasadena, California, and formerly pastor of the First church, Anneton, N. S., has had the degree of Doctor of Divinity conferred upon him by Redlands University, California.

Dr. Shailer Matthews, Dean of the Divinity School of the University of Chicago, will preach the baccalaureate sermon at Acadia on Sunday morning, May 24. During his stay in Wolfville, he will be the guest of Dr. J. F. Tufts.

Dr. David Hutchinson has just celebrated his tenth anniversary as pastor of the Main street church. Dr. Hutchinson has been a most prosperous pastor, and more than that, Dr. Hutchinson, as citizen and churchman has exercised a vastly larger ministry than that which Main street was privileged to enjoy. The denomination has been enriched by the manifold service that he and Mrs. Hutchinson have rendered to its various enterprises and the city of St. John has felt the influence of his high-minded citizenship. We extend our heartiest congratulations to the Main street church and to its worthy pastor.

Rev. Dr. W. B. Wallace, son of the late Dr. Isaiah Wallace, has accepted a call to become pastor of the First church, Rochester, N. Y., the pulpit of which has been vacant for nearly three years.

Crinkled crepes and poplins, taffetas and gabardines are the most fashionable of materials for the bride's going-away frock.

What Dyspeptics Should Eat

A PHYSICIAN'S ADVICE

"Indigestion and practically all forms of stomach trouble are, nine times out of ten, due to acidity; therefore stomach sufferers should eat that which is acid in its nature, or which by chemical action in the stomach develops acidity. Unfortunately, such a rule eliminates most foods which are pleasant to the taste as well as those which are rich in blood, flesh and nerve building properties. This is the reason why dyspeptics and stomach sufferers are usually so thin, emaciated and lacking in that vital energy which can only come from a well fed body. For the benefit of those sufferers who have been obliged to exclude from their diet all starchy, sweet or fatty food, and are trying to keep up a miserable existence on gluten products, I would suggest that you should try a meal of any food or foods which may like, in moderate amount, to take immediately afterwards a teaspoonful of bisulphated magnesia in a little hot or cold water. This will neutralize any acid which may be present, or which may be formed, and instead of the usual feeling of uneasiness and fullness, you will find that your food agrees with you perfectly. Bisulphated magnesia is doubtless the best food corrective and antacid known. It has no direct action on the stomach; but by neutralizing the acidity of the food contents, and thus removing the source of the acid irritation which inflames the delicate stomach lining, it does more than could possibly be done by any drug or medicine. As a physician, I believe in the use of medicine whenever necessary, but I must admit that I cannot see the necessity of using an inflamed and irritated stomach with drugs instead of getting rid of the acid—the cause of all the trouble. Get a little bisulphated magnesia from your druggist, eat what you want at your next meal take some of the bisulphated magnesia as directed above, and see if I'm not right."

Labor Leaders' Case.

Washington, May 13.—The contempt sentences imposed by the district supreme court upon Samuel Gompers, John Mitchell and Frank Morrison, labor leaders, were set aside by the supreme court for the second time as barred by the statute of limitations.

Manhood Wins in all Walks of Life

fluence which only an abundant vigor and rugged manly health can radiate. I believe any man can hope to completely develop or restore this same vigor or manly strength, no matter what his past follies may have been, provided he is willing to REALLY MAKE THE EFFORT; and provided, of course, he is not weighed down by extreme old age or is not incurably diseased. To my mind, the road of the one who wants more vigor is perfectly plain, but it is a road that any man MUST travel if he attains the highest ideals in respect to his own manhood. See information in my free book.

As to the SANDEN Vitalizer, previously mentioned, will say it is a little mechanical appliance, weighing but a few ounces, which you wear at night. This Vitalizer generates and sends forth a certain soft, penetrating force which I call Vitality. It drives this Vitality into your nerves, blood, muscles and organs as you sleep. It is a quieting to the nervous system—or, at least, so users say. Men write that it takes pain out of the back often at once and restores vitality in 90 days. Remember, the general information of the free book is independent of this Vitalizer, and you are not expected to get one of these little appliances unless you want to. You can write me later as to that if you so desire. With special attachments, my Vitalizer is used by women as well as men for rheumatism, kidney, liver, stomach, bladder disorders, etc. If you live in or near this city I should be most pleased to have you call in person at my office, where you may see and test the Vitalizer free of charge. Hours—9 to 6; or if inconvenient to call, do not fail to write for the free booklet.

To Get Free Book Please Use Coupon

If you live too far to call, or if you cannot call, please fill in the coupon below and send it to me. You will receive free, sealed, by return mail, my 72-page illustrated book, containing 8,000 words, a complete compendium of useful information for men, young or elderly, single or married, who want the truth about the subject of vital strength, its preservation, its possible self-restoration and its legitimate uses and wondrous abuses. You get it all free.
