The Fragrant Qualities of Master Mason

READY RUBBED SMOKING TOBACCO

Are all in the leaf used in the making of it. We have for years hunted the subtle and elusive elements of goodness in tobacco; we know what they spring from; we know how to retain them in the process of making smoking tobacco. The raw leaf used is the whole thing; the goodness is in the tough, waxy finish and silky fiber of the leaf we use in making

MASTER MASON
READY RUBBED

In the process, we merely deprive it of all possibilities of "sting" or "bite". The result is a really fine smoking tobacco, a cool, mellow, free and even burner to the last shred, with a rich and pleasing aroma. These qualities cover all there is in smoking enjoyment.

630,000,000 BUSHELS OF WHEAT POSSIBLE
(Bradstreet's.)

In keeping with the excellent reports throughout April as to the winter-wheat crop's condition, the Agricultural Department's report as of May 1 shows a slight gain in the condition of the crop as a whole and a very small abandonment owing to winter killing. The result is that the very high condition reported on December 1, 1913, and April 1, 1914, has been practically maintained, and the prospect as of May 1 is for a crop of 630,000,000 bushels, a total of 107,000,000 bushels larger than the hitherto record crop of 1912-13, and of the extent the largest yield ever gathered.

BAPTIST MINISTERS.
(Maritime Baptist.)

Rev. M. E. Fletcher, secretary of the eastern section of the Foreign Mission Board, spent last Sunday in St. George. The next few weeks will find him in his office directing the Judson centennial campaign.

Rev. W. B. Beanson of Dorchester, will have the sympathy of the denomination in the loss of the Upper Dorchester church, which was burned last week. The church was not insured, and the loss will be about \$2,000.

Rev. Dr. G. P. Mode, formerly pastor of the Zion church, Yarmouth, N. S., has been appointed to the faculty of the Divinity School of the University of Chicago. He is lecturer in Church History and secretary of the school.

Rev. H. G. Esterbrook, a former pastor in Nova Scotia and New Brunswick, has retired from the secretaryship of the Home Mission Board of British Columbia. He is taking a well-earned rest on his orchard ranch in Summerland, B. C.

Rev. I. E. Vanwart has resigned his charge of the Millville, N. B., group of churches. He has done excellent work in that field and announces his readiness for service elsewhere after May 31.

Rev. Fred Simpson Spidle, Ph. D., of Acadia, is supplying the pulpit of the West End church, Halifax, until the arrival of their new minister, Rev. G. F. Bolster, on May 24.

Rev. J. D. Freeman, McMaster preacher of 1914, received from that institution the degree of D. D. Dr. Freeman's baccalaureate was characterized by the Toronto press as a noble and brilliant effort. He will wear worthily the new honor which he carries with him to the mother country.

Rev. J. D. Spidle of Kentville, N. S., the newspapers report, baptized forty candidates on the last Sunday in April, and between fifty and sixty persons were welcomed into the fellowship of the May communion.

Rev. Seldon W. Cummings, pastor of the First Baptist church, Pasadena, California, and formerly pastor of the First church, Ansonia, N. S., has had the degree of Doctor of Divinity conferred upon him by Redlands University, California.

Dr. Shailer Matthews, Dean of the Divinity School of the University of Chicago, will preach the baccalaureate sermon at Acadia on Sunday morning, May 24. During his stay in Wolfville he will be the guest of Dr. J. F. Tufts.

Dr. David Hutchinson has just celebrated his tenth anniversary as pastor of the Main street church, St. John. It has been a most prosperous pastorate, and more than that, Dr. Hutchinson, as citizen and churchman has exercised a vastly larger ministry than that which Main street was privileged to enjoy. The denomination has been enriched by the manifold service that he and Mrs. Hutchinson have rendered to its various enterprises and agencies, and he has felt the influence of his high-minded citizenship. We extend heartfelt congratulations to the Main street church and to its worthy pastor.

What Dyspeptics Should Eat

A PHYSICIAN'S ADVICE

"Indigestion and practically all forms of stomach trouble are, nine times out of ten, due to acidity; therefore stomach sufferers should, whenever possible, avoid eating food that is acid in its nature, or which by chemical action in the stomach develops acidity. Unfortunately, such a rule eliminates most of the foods which are pleasant to the taste as well as those which are rich in blood, flesh and nerve building properties. This is the reason why dyspeptics and stomach sufferers are usually so thin, emaciated and lacking in that vital energy which can only come from a well fed body. For the benefit of those sufferers who have been obliged to exclude from their diet all starchy, sweet or fatty food, and are trying to keep up a miserable existence on gluten products, I would suggest that you should try a meal of any food or foods which you may like, in moderate amount, taking immediately afterwards a teaspoonful of bisulphate of magnesia in a little hot or cold water. This will neutralize any acid which may be present, or which may be formed, and instead of the usual feeling of uneasiness and fullness, you will find that your food agrees with you perfectly. Bisulphate of magnesia is doubtless the best food corrective and antidote known. It has no direct action on the stomach, but by neutralizing the acidity of the food contents, and thus removing the source of the acid irritation which inflames the delicate lining of the acid—the cause of all the trouble. Get a little bisulphate of magnesia from your druggist, eat what you want at your next meal take some of the bisulphate of magnesia as directed above, and see if I'm not right."

ABOUT YOUR OWN VIGOR Sent Free to Men

MR. READER:

Here is something I have to offer you absolutely for nothing—a little private book of special information about the legitimate use and unnatural abuses of manly vigor; about the preservation of manly strength and its possible self-restoration; an illustrated pocket compendium of 8,000 words, 72 pages and 80 half-tone photograph reproductions—which I am very pleased to send by mail, absolutely free of charge, in a plain, sealed envelope, to any man, young or elderly, single or married, who writes for it.

Over a million of these books have been thus sent to applicants all over the world since my first free offer appeared. Publishers are shaming as much as \$3 for books on sex subjects, while my book is free. Therefore, reader, if you would like a great fund of inside information relating directly to the subject of manly vigor, all put in perfectly plain, easy-to-read language, with many hints that you can surely apply to your own self, no matter how strong you may be, or how nervous or run-down you may be—if you want to know the facts about this particular subject, given to you without a single scene, then fill in the coupon below, send to me and receive my book, sealed, by return mail. In one part of this little publication I describe a mechanical invention of my own, which I call the SANDEN vitalizer, something you wear at night as an aid to the restoration of lost or wanting strength; but you are not expected to get one of these appliances unless you decide for yourself that you want one. The book is complete, and there is absolutely nothing you are required to buy or pay, either now or in the future. Therefore, please send your names and address today.

SANDEN, Author.

MANHOOD! The quality which rules the world today. My friend, there never was a time in the history of the human race when real, sturdy manhood, manly vigor and manly courage counted for as much as they do now, this very minute. No matter what your years, whether you are 20 or 60, you must be either entirely in the race or entirely out of it. It is invariably the fellow who proves up strongest in this human strength that forges to the front, while weaklings stand aside; it is he also who is in most demand and most sought after by women and men of his community, simply because he radiates that marvelous magnetic influence which only an abundant vigor and rugged manly health can radiate. I believe any man can hope to completely develop or restore to himself his vigor or manly strength, no matter what his past follies may have been, provided he is willing to REALLY MAKE THE EFFORT; and provided, of course, he is not weighed down by extreme old age or is not incurably diseased. To my mind the man who is the highest ideal in respect to his own manhood. See information in my free book.

As to the SANDEN Vitalizer, previously mentioned, will say it is a little mechanical appliance, weighing but a few ounces, which you wear at night. This Vitalizer generates and sends forth a certain soft, penetrating force which I call Vitality. It drives this Vitality into your nerves, blood, muscles and organs as you sleep. It is quieting to the nervous system—or, at least, so users say. Men write that it takes pain out of the back often at once and restores vitality in 30 days. Remember, the general information of the free book is independent of this Vitalizer, and you are not expected to get one of these little appliances unless you want to. You can write me later as to that if you so desire. With special attachments, my Vitalizer is used by women as well as men for rheumatism, kidney, liver, stomach, bladder disorders, etc. If you live in or near this city I should be most pleased to have you call in person at my office, where you may see and test the Vitalizer free of charge. Hours—9 to 6; or if inconvenient to call, do not that marvelous magnetic influence which only an abundant vigor and rugged manly health can radiate.

To Get Free Book Please Use Coupon

If you live too far to call, or if you cannot call, please fill in the coupon below and send it to me. You will receive free, sealed, by return mail, my 72-page illustrated book, containing 8,000 words, a complete compendium of useful information for men, young or elderly, single or married, who want the truth about the subject of vital strength, its preservation, its possible self-restoration and its legitimate uses and wanton abuses. You get it all free.
