CHAIN OF FIRES IN UNITED KINGDOM HONOR OF THE KING

All the Highest Hills to be Aight on Coronation Night and Rockets to be Sent Up

London, April 6.—Definite arrangements have now been arrived at for lighting bonfires in a continuous chain at the highest points available in Great Britain and Ireland on the night of June 22, which will be coronation day. This scheme is meeting with most enthusiastic support and widespread satisfaction.

If the bonfires are properly built they will burn for many hours. The proposal is that they should be lighted at 10 o'clock in England and 10.30 across the border and should burn brightly until 12.30 o'clock. The signal that will be given in England, Ireland, and Wales will be in the form of a detonating rocket sent up at 9.55, at 10 o'clock this will be followed by a magnesium star rocket and other rockets. This signal will flash from point to point, until at 11 p.m. the chain of light will be established, and when all the bonfires are aight the national anthem is to be sung.

Wherever possible the hills are to be illuminated generally with red, white and blue colored fires. At 11 o'clock to enhance the splendor of the scene bonfires of rockets are to be sent up.

Committees are being formed in the various counties for the carrying out of this scheme, and it is possible that boy scouts will be called in to lend their aid in collecting fuel, in building up the great fires, and also in preventing their being prematurely lighted.

Cured Eczema and Dandruff

"I am pleased to inform you that I have been cured by Cuticura Soap and Ointment. Since I was a boy I have suffered with dandruff, not only from the itching but from its disagreeable appearance in a social form all over my head. I had to brush it off my clothes all day long. I used every kind of preparation supposed to cure dandruff, also soap and shampoo, but it seemed to me that instead of improving with these remedies, the dandruff increased, even my hair began to fall out and the result was that two months ago eczema developed on my scalp.

"I suffered so from this that as a last resource I thought I would try Cuticura Soap and Cuticura Ointment. They had the most gratifying results for I had used only one box of Cuticura Ointment and a single cake of Cuticura Soap when I was cured. The eczema and dandruff were gone and my head perfectly clear.

"I can assure you that so long as I live I will never soap my scalp. I will be used by me and all those men to me. I will also advise that I will always use Cuticura Ointment as a preventive for the hair and scalp and should know of any one who is not cured by Cuticura Soap and Ointment, I will be happy to let any one of my experience in order to assist those who may be suffering from the same disease." (Signed) A. A. ACYRICO, 59 Pearl St., New York.

Cuticura Soap and Ointment cure the most obstinate and persistent cases of eczema, dandruff, itching skin affections, etc. Apply the soap as a single cake to the scalp and hair, and the ointment to the rest of the body. TONIGHT'S EXHIBITION.

The gymnastic exhibition to be given by the different classes from the gymnasium of the Young Men's Christian Association at the Opera House this evening will probably be the biggest thing of its kind ever attempted on a theatre stage in this city. Some like 125 athletes, large and small, will take part in the musical drills, human pyramids, club swinging, tumbling, etc. With a good deal of the work is of a serious nature and will simply go to show what a gymnasium and a competent physical instructor can do for the youth of the city, yet there will be many mirth-provoking scenes throughout the performance, in which the clown and other school boys with their farmyard antics will take part. Those attending the performance are assured of a delightful evening's entertainment, at a small cost, and at the same time will be lending a hand to the Y. M. C. A. in the good work it is doing for the youth of the city. Tickets may be had from almost any member of the Y. M. C. A. and the box office in the Opera House. The performance will start at 8.30.

THE GEM.

The attractive appearance and pleasing disposition of a young lassie in the Salvation Army are the means of making a difficult man of a hardy tar in "Sailor Jack's Reformation," at the Gem today and tomorrow. The story of his redemption, his conversion, fall from grace, and his final salvation, are cleverly portrayed, and make a very laugh worthy at the comedy "Whiffles Double," but the problem is solved near the close of the film "A Boy's Will" is a drama showing the devotion of a lad to save his little sister, while in "The Red Man's Way" the arts and cunning of an Indian are well displayed, and tend to make a lively story. Tom Waterall is to sing a new song, with the orchestra some new pieces. A souvenir matinee is announced for Saturday.

THE UNIQUE.

That well known character, Happy Hooligan, dear to the hearts of boys and girls for the fun he creates, will be seen at the Unique Theatre yesterday afternoon to tell some of his funniest stories of Gloomy Gus and Panhandle Pete. The picture programme for today and tomorrow has the usual week end features. The Western subject is "The Deputy's Honor," a whole thrilling story of our west. The I. M. P. aggregation of comedies will present in a laughable act, "Maid and the European farce," "The Female Barber," gives many opportunities to laugh. Mr. Newcombe is singing the two-step melody, "Marguerita."

THE LYRIC.

"Something new" is a hard thing to find in the dancing and singing line, and it was with pleasure that the audiences at the Lyric Theatre yesterday witnessed the performance submitted by The Deveres. Their dancing is a novelty and made an instantaneous hit. It embraces steps of various laughable kinds, hard to describe, yet most pleasing to see. Miss Deveres sings a number of catchy songs and displays a rich and costly wardrobe, making three changes of costume during the course of the act. The film section of the bill also came in for approval especially the Melles drama of Texas, "In the Hot Lands."

Her Face and Body Were Literally Covered With "BOILS."

Burdock Blood Bitters Cured Them.

Mr. John H. King, Johnston, N. B., writes: "Last summer I was very much troubled with boils, and my face and body were literally covered with them. A friend advised me to try Burdock Blood Bitters. I took the first one and my boils began to go away. I had just taken a few doses when the last one when they all disappeared. My husband has also used Burdock Blood Bitters with much benefit."

Boils in themselves are not a dangerous trouble, but still, at the same time, are very painful. They are caused entirely by bad blood, and to get rid of them it is necessary to put the blood in a good condition, and for this purpose there is nothing to equal that old and tried remedy, Burdock Blood Bitters.

NOTED WHIP AND WIFE AT PARTING OF WAYS

New York, April 7.—There is a good deal of speculation in society over the announcement that Reginald W. Rives, clubman and whip, and his wife, have come to the parting of the ways. With the possible exception of Alfred Greene Vanderbilt, Rives is credited with being the best amateur whip in the United States.

For many years he drove the coach Pioneer from the Holland House to Ardrey-on-the-Hudson and from the Metropolitan Club, of which he is a member, to Southampton, L. I. Since coaching ceased to command the interest of the fashionable of the city, he has not figured so often in the public prints. It was a big surprise to his friends when they learned the other day that he and Mrs. Rives had separated and were now living apart by agreement.

Mrs. Rives, with her son and daughter, are staying in the old Rives' house, while Rives has gone to the Knickerbocker Club. Both sides deny any intention of threshing out their troubles in the courts, and decline to take the public into their confidence respecting the cause of the differences. It is generally thought to be a case of incompatibility of temper.

FOR COMMISSION

Preliminary arrangements were discussed last night in connection with election day, at the meeting of the citizen's committee. Many private citizens are volunteering the use of automobiles and carriages for that day. At a meeting of the electors in Sydney ward, it was intimated that a large vote would be polled there in favor of commission.
