Dear Mrs. Fletcher.—I take pleasure in writing to you and telling you how I am getting along at my new home. The Lady and Gentleman are both very kind to me, I could not want anything better than I have, and I am as happy as the day is long. We have one of the prettiest gardens in the town, and for fruit, we have all we can use, so I think I have a very nice home, Give Mrs. Bright my love, I hope she enjoyed her birthday, tell the girls I missed them at first, and give them my love. I was very glad to hear from you.

I am yours, sincerely,

Louisa.

Dear Mrs. Bright.—I shall be glad to see you when we go to Grimsby, I have got a nice Church and Sunday School to go to, Miss Flintoff is my teacher, she is so good and kind to me, and I like her the best of any teacher, she thinks I am one of her best girls. I am so fond of children, I know how to take care of children since I came here, I am so good to them. Miss Flintoff sent the lines enclosed to you.

From, S. J.

My Dear Mrs. Fletcher.—I received your kind and welcome letter, and was so pleased to hear from you. Mrs. M— took me down town, and I put the money in the Bank. The children are so large now, that I have quite a lot of fun, they don't need as much care as they did when I first came here. They are very lonesome when I am away, if I only go down town for a short time, when I come back you would think I had been away a month. Kathlein is the tallest and is very fond of me, I have made quite a few friends here. Give my love to Mrs. Bright and Mrs. Bowers and Miss McKee.

I remain yours, lovingly,
