James McDade has received the contract for the copper and galvanized work in connection with the Misper pulo mill.

Geo. F. Simonson, whose troubles at Welchpool have been referred to in this paper, arrived home by the str. St. Croix Sunday.

The death occurred Sunday of Miss Jane Ruddock, eldest daughter of the late Joseph Ruddock, after an illness extending over nearly three years.

Capt. G. E. Bently of Port Greville has purchased from E. Churchill & Sons of Hantsport the barkentine Brazil. She was built in 1882 and is 344 tons register.

A cable received from the other side states that the steamer which supplied Liverpool to this port) reports that the schooner's foremast was sprung. A man named Purrington, who be-

longs to Calais, was seriously injured in Dewar's saw mill at St. George, Saturday. He got caught in a shaft, with the result that both legs were broken. C. T. White is about to rebuild his

mill at Apple River which was destroyed by fire last spring. George Mills has the contract to furnish the stone and lay the foundation.-Senti-

At a meeting of the executive of the Provincial Good Roads Association on Thurs lay evening, it was decided to hold the annual meeting at Fredericton during the session of the legisla-ture, and in connection with the Farmers' and Dairymen's Association.

L. Cyriaque Daigle of St. Louis Kent Co., who has quite a local re-putation as an athlete, visited the exhibition the other day and exerted himself on the lifting and punching machines. He made the record lift, 700 pounds, and was fourth in the list

Murchie v. Theriault was resumed Saturday and occupied a short time. A. A. Stockton, on behalf of the defendant, applied to examine the records in Edmundston to see if the registry is as it is purported to be. After discussion the case was adjourned until October 18.

The causes of death reported at the Board of Health office for week ending Sept. 24 were: Heart disease, 4; cholera infantum, 4; marasmus, 3; asphyxia, 2; diarrnoea, 1; meningitis, 1; peritonitis, 1; consumption, 1; heart failure, 1; ab forminal tumor, 1; inflam mation of brain, 1; drowned, 1; total,

-----John Arvidson, the sailor tramp ar-rested at Campbellton on a charge of assaulting Miss Richards on Tuesday afternoon, was brought before Parish Court Commisioner Chas. Murray on Wednesday and pleaded guilty to the charge. He was then committed for trial at the next Restigouche county court and was removed to the county jail at Dalhousie.

On Wednesday last Mrs. Sarah edell, a former Queens county lady and well known in this city, died at her home, Dorchester street, South Boston, after a lingering illness. Her remains were brought to this city on Friday night's American train, and were forwarded to Queens county for burial, Saturday morning, on steamer Star.

A telegram from New York to P. Glesson, Thursday, informed him that the body of Michael McGuire (reported drowned) was too far gone for re-moval to St. John, and suggested purial in Calvary cometery. Mrs. Mc-Guire had intended to bring the remains to St. John, but in conse of this information authorized burial in New York. As already stated, a sister and a brother of deceased are

Capt, Bloomfield Douglas, R. N. R., was at the Dufferin Thursday and will leave in the morning for Grand Manan, His mission to that island is to pick out a site for the lifeboat state. tion, select a coxwain and crew an arrange for the construction of the boat house. After his work there is finished, Capt. Douglas will go to the St. Lawrence and work his way on up to the great lakes, inspecting all the lifeboat stations.

The death occurred on last Sunday evening of John Nugent, who up to about six years age conducted a to about six years ago conducted a grocery business on the corner of Richmond and Brussels streets, when he retired in favor of his son, Michael Nugeut. The deceased was one of St. John's oldest and best known citizens, and in his early days took an active interest in all matters that pertained to the city's welfare. He was for some years a member of the Slaughter House commission. Deceased leaves a: wife and one son.

SIR J. G. ALLEN DEAD.

He Passed Away at an Early Mour Tuesday

FREDERICTON, Sept. 27—The death this morning about 2 o'clock of Sir John C. Allen came as a great shock.
Sir John Allen was attacked Sunday with throat paralysis, and was almost entirely unable to take nourishment. Yesterday other troubles developed. It will be five years in November since he was taken ill while holding court at St. Andrews,

Quite a number of young men re-cently left Northesk. Miramichi, for the western states.

Sch. Fred H. Gibson, now at Boston, has been chartered to take lumber from Portland to Paysandu at \$14.50

Fred Porter met with a painful accident in Kirk's mill at Spencer's Island the other day. His hand got caught in a belt and was carried into the cog wheels, my which the hand and arm were ground to a pulp. Drs. Jost and Fillimore amputated the arm. Porter is about 30 years of age and is a married man.

A number of the residents of the parish of Greenwich, Kings Co., N. B., have put a petition in circulation, which is being largely signed, praying ing that as the names Belyea's wharf and Belyea's landing are confusing. that the name of the wherf and vicinity be changed to Gleenwood.

Blenkhorn's axe factory in Canning was destroyed by fire on Friday morning. Everything was burned. They kept large quantities of coal for sale. All on hand has gone except some hard coal. The fire was discovered at about 3 o'clock. Insurance \$1,200; loss about \$4,000.—Kentville Wedge.

Fire on Dunn Bros.' wharf at Grand Ray on Thursday night destroyed lumber to the value of about \$25,000. The wharves and mill runs destroyed were valued at about \$9,000. The in-surance of the lumber was \$10,000 in the Commercial Union Assurance commany of grandon allbe work of re-pairing the wharves will commence immediately, and it is not thought it will be necessary to shut the mill down for more than a fortnight. This is Messrs. Dunn's third loss in a few years. They were burned out in Carleton; their mill at South Bay was blown up, and now their lumber piles are badly burned.

Lt Col. Domville arrived Saturday from the Klondyke. The colonel says that he has two steamers on the Yukon, and has several mills in that country. He saw several provincialists at Dawson city, including Henry notwithstanding that they had many Domville remarked that he would return, but not very soon.

DIED IN ENGLAND. The sudden death of Richard Fairey, of rapid consumption, will be heard with surprise by his many friends in the province. Deceased, who leaves a widow and five children, was engaged in the lumber business in London, Eng. and was formely in the employ of Guy Bevan & Co. Mrs. J. A. Killam of this city is a sister of deceased .- Monoton

## NOVA SCOTIA NEWS.

SPRINGHILL, N. S. Sept. 21.—The last great public rally for prohibition takes place on Monday evening at the Parish House, and is likely to prove lively, in consequence of an invitation being extended to the opponents of prohibition to state their views. The four evangelical ministers of the town, the Revs. Wilson, Gee, Bancroft and Wright, are announced to speak on the plebiscite subject, and ex-Mayor McKinnon is to fill the chair. Father Doody is strongly in favor of the question, and this makes the ministerial of the town solid on prohibi-

Richard Gilroy, one of the promis-ing young men of this town, has re-ceived the appointment of principal of the school at the Joggins Mines. A large number of citizens are tak-ing in the exhibitions both at St. John and Halifax. The policy of the rail-way in having reasonable rates is a stimulus to travel

Death has been very busy among the young children of the town during the past few weeks. Among the number was the young son of George Hall, the mechanical superintendent. Much sympathy was felt on the sad

made in A. E. Fraser's store make it one of the largest in the county. The hall above the store, familiarly known as Fraser's hall, is now being known as Fraser's hall, is now being earth till men rushed up and saved the used as a store room by the enterpendent life. The arident made it prising merchant. The change leaves necessary to abandon the ascension in Springhill without a large public hall, the afternoon, but Miss Madison made the Parish House hall being the only it at night without mishar. suitable and procurable one at present for public meetings.

The Sons of Temperance have taken a new lease of life. Large numbers of members are flocking to the stand-

A most amusing and locally inter-esting discussion has been going on in your Halifax contemporary over the present state of labor in Springhill. It seems from the discussion that the paper in question must have at least three Springhill correspondents, two of them with diametrically oprosed views on the question. It is a simple matter of fact that "cutting" has been a desperate rule of late, and that many workers during the sum mer made absurdly low wages. At a ing about eighteen cents per day per head of population. One correspondexpected to do the shoveling of two Hall of Rothesay, the Henderson boys of this city and Mr. Murray of the he is immediately discharged. Two north shore. He had no doubt that, ago, and money had to be given them rough experiences, their many friends and relatives in the provinces would be pleased to know that they were all in good health. There was none of the above party doing much of anything, but were in hopes of securing work at Dawson City. When asked if he intended to return to the Yukon, Col.

Domyville remarked that he would read to be given them cities in New Brunswick, a large numtor to pay their fare before they could be assembling at the wharf to shower go. Certainly bosses don't want the them with rice and good wishes.

The residence of William Wyatt, for the reputation of the coal company. Our storekeepers have kept event Wednesday merning, when his were unmercifully docked. After a R. Bruce Shaw, M. D., were united in the last toiled two weeks in the marriage, the cremony being performed to pay their fare before they could be assembling at the wharf to shower them cities in New Brunswick, a large numtor to pay their fare before they could be assembling at the wharf to shower them cities in New Brunswick, a large numtor to pay their fare before they could be assembling at the wharf to shower them cities in New Brunswick, a large numtor to pay their fare before they could be assembling at the wharf to shower and them with rice and good wishes.

eachers is next on the list.

HALIFAX, N. S., Sept. 23.— Rain oured in torrents all day and the atendance at the exhibition in conse-

Last evening Edward Durnan telegraphed to Gaudier at Vancouver, asking him if he would row doubles asking him if he would row doubles with Durnan against the Lynches Durnan received the following answer from Gaudier: "Yes; will row for \$1,000. Can you find backing for your half?" Durnan wired home and received an answer that \$568 would be sent to him on demand. Lynchs' friends in Halifax have decided not to make the match. It was also proposed to make a match for single soull race between Michael Lynch and Edward Durnan, but this also was decided against.

DIGBY, Sept. 22.-What proved to be the final heat in the Digby Yacht club races was salled yesterday afternoon in a stiff southwest wind, and was won by the Surprise, owned by J. Albert Lutz of Moneton. N. B., who has been spending the summer in Digby. Considerable intrest was manifested in these races, of which there were seven salled to prove a winner, and when the race was started vesterday the Gytha and Surprise each had won two races, the Devey and Pegasus one each, the Dorothy, Juhi-lee and Gilpin failing to score a win. During the race the Gytha had her mast broken short off, and did not finmast broken short off, and did not inish, the Surprise winning by one inline ute and six seconds over the falpin. Mr. Lutz is naturally well pleased, as his boat did not enter the contest until after three races had been sailed. The prize is a handsome silver cup

alued at \$40. An accident which nearly cost little Bertie Allen, the four year old son of Capt. Howard Allen, his life happened yesterday afternoon about 3.30.

Owing to the great demand made on our space by the St. John Exhibition and other current events, correspond-ence from many parts of the country has been crowded out. Fuch portions thereof as are of general interest will be published as soon as space permits.

Mittle fellow was playing on Peters' wharf and fell into the harbor. He was rescued by Mr. Saunders and others, who were watching the yacht

The dominion government steamer Lansdowne was in port yesterday and Lansdowne was in port yesterday and sailed today for up the bay ports.

HALIFAX, N. S., Sept. 24,—The death occurred today of Mrs. Joseph Bell, widow of Sheriff Bell.

The dominion government has instructed its solicitors in Halifax to bring an action for \$1,000 penalty from Halifax Herald for an alleged violation of the allege labor law. This is

tion of the alien labor law. This is remarkable after a persistent refusal by the government to put the law in force in any other part of Canada. HALIFAX, Sept. 26.—The attendance at the exhibition today went soar ing away above ten thousand. While the balloon ascension was being at-tempted, a workman got his foot entangled in the ropes and was carried feet foremost some distance into the air. The presence of mind of Miss Madison, who was to jump from the parachute, kept the balloon near th

P. E. ISLAND WEDDINGS. J. L. McCullough, Formerly of St. John Among the Benedicts

(Summerside Agriculturist.) St. Paul's church, Summerside, was the scene of a very pretty wedding last Wednesday morning, when Joseph L. McCullough, the popular cutter m J. C. Wright's merchant talloring establishment, and Miss Emma A. Dempsey, daughter of Mr. and Mrs. Mathew Dempsey, Summerside, were made one the pastor, Rev. D. J. G. Macdonald officiating. The bridesmaid was Miss Henrietta Dempsey, sister of the bride, recent "pay" about \$5,000 were paid and the groom was supported by L. J. out, which amount had really to sup. Reddin. The altar and chancel were port the world to two weeks. "very nicely decerated with flowers and port the whole town for two weeks. Very nively decerated with flowers and as the population numbers about lighted tapers, and the musical part of the service, under the direction of per week per head of population. The W. J. Whitney, was checke.
