Materni y.

(From the Evening News, Detroit, Mich.)

No woman is better fitted for nageing, or has had more years of pure-tical experience in that work than Mrs Moses Morris, of 340 Fourteenth street, Detroit, Machigan. For twenty years she has been recognized as the best and most successful nurse in confinement. When asked once by a leading physician the secret of her great success in treating mothers in confinement cases, she said she used Dr. William's Pink Pills for Pale People in such cases, as they build up the mother more quickly and more surely than any other medicine she had ever

Mrs. Morris was seen at her home on Fourteenth street, and when asked regarding the use of these pills in her profession, said: "I have used Dr. Williams' Pink Pills for Pale People since they were put on the market. They built me up when I was all run down and so nervous I could not get any rest. After they had helped mo I began to use them in restoring mothers. There is nothing that can be prescribed or given by a physician that will give health and strength to a mother so quickly as Dr. Williams'

'I have given them in hundreds of cases of confinement to the mother, and it is wonderful how they build up and it is wonderful how they build up the system. I have practically demon-strated their great worth many times and have recommended them to hun-dreds of mothers for their young daughters. Yes, I have been successful in confinement cases, but I must give Dr. Williams' Pink Phils for Pale Peo-ple a great part of the credit for the speedy recovery of mothers. They certainly have no equal as a streigth certainly have no equal as a strength and health builde. You can say for me that I strongly advise that Dr. Williams' Pink Pills for Pale People be kept and used in every house."

Woman's Work

Woman's work, whether in society or in the home, is filled with more or less care and worry, and they are compelled to regretfully watch the growing palor of their cheeks, the coming wrinkles, and thinness that pecome more distressing every

day. Every woman Knows that ill-health is a fatal enemy to beauty, and that good health gives the plainest face an enduring attract-iveness. Pure Blood, and STRONG Nerves is the secret of Health and Beauty.

DR. WILLIAMS' PINK PILLS for PALE PEOPLE build up and purify the blood and strengthen the nerves. To the young girl they are in-valuable; to the mother they are a necessity; to the woman at forty-five they are the best remedy that science has devised for the crisis of her life.
