TOTAL OF THE CONTROL OF THE PROPERTY OF THE CONTROL OF THE CONTROL

Naples, near Puzznon, there are parts of the temple of the Egyptain god Scrapis still standing three beautiful columns especially speak of its funct splendor. At a considerable height they are not the curious sight of being worm eaten. three beautiful columns especially speak of its famor splendor. At a considerable height they present the curious sight of being worm eaten; and recent careful researches leave no doubt that the waters of the Mediterranean once covered them so high, as to bring these their upper parts within reach of the sea womes. Since then the analysis of the Mediterranean once covered them so high, as to bring these their upper parts within reach of the sea womes. Since then the analysis has risen high; but, stranger still, they are, a systerious force, once more to be submerg:

Already the floor of the temple is again covered with water, and a century hence here in a submitted with water, and a century hence here included the reach of the lighest waves.

A couple of Yankee givis put a bulfrog in the deman's hed, to see if they couldn't get him to Daniel threw the freg out of the window, never said a word. Soon after, he put half a set of chesant turs in the girls hed, and about true he thought they would make the least wy. Daniel went to the door and rathed the furiously. Out went the candle, and in went by but they didn't stick, though the burs of them, he begged them to be quiet, and ye wanted to know if they had seen anylei that pesky bulfrog. He didn't to dellars the factor of the stranger of the posky bulfrog. He did not collars the factor of the conservations of the posky bulfrog. He did not collars the factor of the collars to the collars to

MAGERIC, BRATT BREE.

THE Subscriber would respectfully inform his friends and the public in general, that he has moved a part of his Establishment to 27, North-ide of King Street, directly opposite Cross Street, and one door below Mr. J. Frost's Show Store, where he will be found ready to serve the Public with HATS and CAPS of his own. Manufacture, made under his inspection, which he feels warranted in saying are equal to any made or sold in this City, as has been proved at the Exhibitions held in this City and Fredericton, and also at Halifax, N. S., from which he received a Certificate of merit under the Scal of that Province.

The business will be conducted as formerly at his old Stand, under the management of his Nephew, D. Maeter, a practical Hatter; where the Public will always find a good article, and at a reasonable price.

HATS and CAPS made to order.
A. MAGEE,
