It offers certain rewards to those who participate in the work. The principal prizes to be given are six trips across Canada by special train from Toronto to Prince Rupert, thence by steamer up the Alaskan coast, returning to Portland, Oregon, and by rail back home through the United States. The Club is open to any person of good character in the Mari-time Provinces, and the winners will be decided by the votes of read-ers of The Standard.

These votes are secured in three ways, first by the nomination coupon which is printed in this paper and which is good for one thous-and votes—this can be used only once; secondly by the daily coupons which will appear during the next two months, which coupons are good for one vote if clipped out and sent in to be placed to the credit of the member; and thirdly by votes on subscriptions to The Daily or or Semi-Weekly Standard according to the schedule published here-with.

with, This campaign is straightforward. There are not a lot of compli-cated rules. There will be no buying of votes, for The Standard desires all members of the Club to understand that our idea is to get circula-tion in a legitimate manner, and that those who participate will win the prizes as the result of their honest efforts. Everyone will have a fair chance and no schemes of vote-getting will be tolerated which are not consistent with the proper aim of this newspaper in securing circu-lation in a legitimate way.

Subscriptions may be secured by the members in any part of the Province. Members in St. John may work wherever they wish, and members in other parts of the Province may turn their efforts to this city if they so desire.

In every way possible, assist the members in their work. During the course of the Club a number of special prizes of con-siderable value such as planos, cash, etc., will probably be awarded for work done during certain periods, but the winning of these prizes will not affect the chances of any members to win the trip prizes. In addi-tion to this, at the close of the Club there will be paid to those who have not been successful in winning the trip prizes, ten per cent. of the total cash which they have turned in. It will be seen by this ar-rangement that no one can lose, for all will have earned good wages on the work they have done.

There will be no bonus votes. That is, subscriptions will count for exactly the same number of votes at all periods of the campaign. There will be no particular time at which these subscriptions will be worth more than at other times.
