BOARD OF TRADE COUNCIL SESSION

Favored Daylight Saving for
the City—Abattoir Matter
Referred to Committee—
Rimouski Recommended as
Port of Call for Mails.

The council of the Board of Trade met in fortnightly session yesterday and dealt with several matters of importance. The port of Rimouski was recommended as a port of call for mails during the summer months. Communications from the Halifax Board of Trade and the Retail Merchants' Association, re the business profits tax were endorsed, being along the lines of a resolution already passed by the board and forwarded to Ottawa. No action was taken on a communication re revision of the tariff.

The resolution passed at the recent meeting of the Farmers' and Dairy-Abattoir was referred to a special committee. The council passed a resolution in favor of daylight saving for the city. The proposed bankruptcy act, introduced by the Canadian Credit Men's Association, was referred to a special committee for report. Action on the decision of the Railway Commission re sugar rates was referred until further information was available.

The following resolution was unanimously adopted:

"Whereas fire waste in Canada far exceeds per capita that of any other country in the world, amounting to over \$30,000,000 in the year 1918; and
"Whereas, as long as such state of affairs continue no reduction in fire insurance rates can be expected; and
"Whereas, a large percentage of the fires in the province of New Brunswick are due to Municipal indifference, individual carelessness, and defective building construction; and
"Whereas no adequate provision for the thorough investigation of the origin of fires exists in New Brunswick;

"Therefore resolved, That in the opinion of this council the Legislative Assembly of the Province should be urged to enact the necessary legislation and to appoint a Fire Marshal whose duty it would be to investigate the cause of all fires in New Brunswick, and to prosecute in all cases where carelessness or fraud appears to be in evidence. Such Marshal to be appointed by the government on the joint recommendation of the Premier of the Province, and the New Brunswick Board of Fire Underwriters."

DIVERTED FROM HALIFAX TO ST. JOHN

Many Cargo Steamers Leave
the Other Side for Halifax
Only to be Ordered to St.
John or Portland—Eleven
Recently Sent Here.

Halifax is having a hard time in procuring freight steamers this season, while this port is almost full and overflowing with ships, and all are receiving full cargoes for overseas. Diversions of cargo steamers from Halifax continues and during the past few days no less than six steamers which left the other side for Halifax have been ordered to Portland, Me., while eleven others were instructed to proceed to St. John for cargoes. Some of these ships are now on their way across the Atlantic, while others have arrived at their destinations.

The steamers diverted to Portland to load are:

Francisco Carmo, which left Gibraltar on March 13th.

Coranin, which left Gibraltar this month.

Treloske, which left Gibraltar on March 8th.

River Orontes, which left Gibraltar on March 8th.

Joranic, which left Gibraltar on March 13th.

Grelhead, which left Gibraltar on March 10th.

The steamers diverted to St. John are as follows:

Irish Monarch, which left Gibraltar on March 9th.

Wilton, which left Gibraltar on March 8th.

Canadier, which left Gibraltar on March 6th.

Gothic, which left Gibraltar on March 9th.

Wimbledon, which left Gibraltar on March 6th.

Daleham, which left Barry Roads on March 18th.

Gordon and Birkdale, whose ports of departure are not known.

The steamers Glendhu and Alaska and Romera to load at St. John.

Of the above named ships the steamers, Glendhu, Alaska, Canadier, Irish Monarch, Wimbledon, have already arrived in this port.

Forty steamships have already arrived here this month, and it promises to surpass the business for any other month of March in the history of the port.

Nature's Healing Herbs for Headache

A BLOOD FOOD
PRACTICALLY
all headaches
come from two
causes—Bilious-
ness and Nervousness. Bilious head-
ache means upset stomach, and con-
stipation—with severe throbbing pains
all over the head. Nervous headaches
mean that the nerves are exhausted
and need rest and food.

**Dr. Wilson's
HERBINE BITTERS**

headaches. The simple old-fashioned herbs
in these bitters regulate the kidneys and
bowels, purify the blood, and build up the
whole system. A reliable spring tonic. Get it

B. R. MACAULAY DIED YESTERDAY MORNING

Prominent Citizen and Mem-
ber of Macaulay Bros. &
Co. Dry Goods Firm Had
Been Ill Since Monday With
Pneumonia.

St. John was yesterday called on to
mourn the loss of one of her leading
citizens in the person of Beverly R.
Macaulay, member of the firm of
Macaulay Bros. & Company, the well
known dry goods merchants of King
street. He was seized Monday night
with pneumonia and passed away
about 9.15 yesterday morning.

The deceased was a native of St.
John, and had been in the dry goods
business all his life. As a boy he
entered the employ of Stewart Bros.
and later was with the London House.
In 1876 he joined his brother, Alex-
ander, who had opened a store on
Charlotte street, and the two with
D. F. Brown formed the firm of
Macaulay Bros. & Company.

Mr. Macaulay was an active mem-
ber of St. Andrew's Society, and for
some years its president. For the
past ten years he has been an elder
of St. Andrew's church, and previous
to that was for some years on the
trustee board.

Mr. Macaulay, who was 66 years of
age, leaves his wife, a daughter of the
late Henry Russell, and five children.
There are two daughters, Mrs. John
A. Cameron, London, England, now on
her way to St. John to visit her old
home, and Mrs. E. Percy Howard, of
this city. There are three patriotic
sons, all of whom are still in service
overseas: Lieut. Robt. A., who was in
the west when war broke out and en-
listed there, and Donald and Norman,
both in Major Barker's Siege Battery.
Two brothers also survive, Alexander
and Marshall, both of St. John.

Nova Scotia Man Is Enthusiastic

For Dodd's Kidney Pills Have Made
Him Well.

A Year of Growing Kidney Trouble
Brought Bright's Disease but He
Found a Help in Dodd's Kidney
Pills.

Bellefleur, Yarmouth Co., N.S.,
March 28.—(Special)—"You can tell
everyone that it was Dodd's Kidney
Pills that made me well." This is
the joyful remark of Mr. Alcide
Meuse, a well-known and highly-re-
spected resident of this place. Mr.
Meuse, who suffered for a year from
kidney trouble, is enthusiastic in his
praises of Dodd's Kidney Pills. "I
think everybody ought to use them all
the time," he says. Then he gives the
reasons for his enthusiasm:
"I first caught a cold," Mr. Meuse
states, "and kidney trouble followed.
My sleep was broken, my eyes were
puffed and swollen and I had dark
circles around them. I was often
dizzy and always thirsty. My skin
itched and burned at night. I was
troubled with nervousness and my
limbs were swollen.

"I had cramps in my muscles, back-
ache and headache. Then Bright's
Disease developed. A doctor attended
me but the first relief I got was
from Dodd's Kidney Pills. I took
eight boxes of them and they cured
me."

All of Mr. Meuse's troubles came
from sick kidneys. Dodd's Kidney
Pills cured his kidneys and he felt
well all over. That's why he's enthu-
siastic. For sound kidneys make pure
blood and pure blood is the foundation
of health.

GRAND CHANCE FOR THE CITY SCHOOLS

Fine Colored Picture of Wolfe
Monument in Westminster
Abbey Given by War Sav-
ings Society to Schools
Showing Hundred Per Cent.

There has been received at the
War Savings Headquarters a very fine
colored picture which it is proposed
shall be given to each school which
can show 100 per cent. membership
in a War Savings Society. The pic-
ture is of the Wolfe monument in
Westminster Abbey with the Cana-
dian Regimental flags upon it as they
were left for safe keeping during the
time the regiments were on the bat-
tle line. The coloring is very beauti-
ful, and the subject chosen particu-
larly appropriate as linking the past
and present of British patriotism in
Canada. The painting will serve to
remind the children of today of the
necessity of upbuilding and uplifting
this Dominion for which such sacri-
fices have been made.

The inscription which it is proposed
shall be inscribed beneath the pic-
ture is:

"Presented to our School by the
National War Savings Committee,
Ottawa."
