MR. HAZEN'S CLAP-TRAP.

Mr. J. D. Hazen, the leader of the op-

aims to occupy the position of a political noe to such absurd comments as are Emergency Rations were not intended to ere credited to Mr. Hazen by he Sun. be used every time a man became hungry, children, but for Mr. Hazen to assert hungry as ever after he ate the rations. New Brunuswick is not a necessary work did eat, or how much food he is in the Shows that he must under estimate very habit of eating. Mr. White may be a perently thinks there is no need to have guerilla warfare which is being maintaingreatly the intelligence of the people of very hungry man naturally, and capable of the statutes consolidated because many ed in South Africa. tutes was effected in 1876, more than most men. However, before deciding years goldating and revising legislation prevented from joining the main body of twenty-four years ago. Since that time with regard to the value of the rations as upon principal subjects, such as the Suthe procedure in the courts has been food, the public would like to hear from preme Court Act, the County Court Act, abandon his transports and take to the totally changed. Great changes have taken the Canadian soldier who shared the food the Probate Court Act, the Municipalities' hills. It is not likely that after this he place in the law of debtor and creditor, with Mr. White. His appetite may have Act, etc., and that these can be found will be able to effect anything important and nightly important acts referring to been satisfied with its even it that of the in the volumes of the legislature for the have dispersed. The number of Boers now have been placed upon the Star's correspondent was not. Indeed past five or six years. The revision made statute book, but these acts are scattered we doubt whether anyone in the employ- in this legislation was not intended to be over the statute books or four and twenty quent of the Star would be satisfied with had, but was a temporary effort to cope that before the end of the present month, years. Alterations and amendments of all anything that was done by the present with a grievance of an unbearable nature. years. Atterations and anternation and as it government for our soldiers in South Some of these acts had as many as fifteen stood in 1876, and yet Mr. Hazen says tion of the statutes. He says that the lawyers have not asked for it, and that is quite possible. It is in the interest of lawyers that the law should be as obscure as possible, and as difficult to interpret, the laymen of New Brunswick, the honest farmers of the county of Kings, and the does not feel the lack of another tested the election and exposed the whole province. A fourth-year student of law days when they were once all-powerful that city has fallen greatly, the per cent. On that occasion there in a land which respects and honors them in a land which respects and honors them of increase for the past ten years being th
