9th inst., in the course of its review of monetary matters in that city, says:—

"To help the situation just now we have experienced an easy working of the money market that has greatly surprised even those who are the slowest to be alarmed at monetary crises or sensations. During the past week money lenders, inclusive of the national banks and moneyed institutions, have endeavored to work the rate on call up to 7 per cent. but without success. The best done was to get it on several occasions to first ten miles, as given by an experienced and specific proposite the city, cried Miller: "you'll have a crowd round us." And naturally people began to stop and wonder what was the matter. This was exactly what Liston wanted, and again has been received, and c at Messrs. Peiler's, Prin Sudden Death.

We regret exceedingly record the sudden death Livingstone, which occur amusement of the numerous passengers, many of whom recognized the popular railroad man, will not be more than \$600 The New York Herald of Monday, Crossing over the ferry opposite the city, cried Miller; "you'll have a crowd round back again.

have endeavored to work the rate on call up to 7 per cent. but without success. The best done was to get it on several occasions to 6 per cent, but only for exceptional transactions, the real business of the week having been at an average of barely 5 per cent. Perhaps the real average would be most correctly stated at 4½ per cent. At the same time the banks have lost so much of their reserve that they are only about two and a quarter millions ahead of the legal limit. In previous years the an-A notable personage has just died-Mr.
