Capt. Howard Box to Girdle

Capt. Howard Box, the noted Queen's footballer and hookey player, now a member of the Siberian expeditionary force, has sailed from Vancouver. He is with the Medical Corps. Box, who is a brother of the noted Dental hockey star, has seen much of the world since the war began. He went overseas with the Queen's Medical Corps, and saw service in France, Egypt and Serbia, being a member of the first allied army which landed at Saloniki. After spending landed at Saloniki. After spending many months at the latter place and taking part in the retreat through Serbia. ne was sent to China to select "coolies for duty on the Western front. While in the Celestial Kingdom he managed to display his athletic ability in several ways, the most notable being when he acted as jockey and brought his horse home in second place. Box weighs about 115 pounds, and for his size is a remarkable athlete. While at Queen's he played regularly at outside wing on the senior football fourteen and at centre on the senior hockey team. He was also a short distunce runner of no mean ability, and last summer was the regular third baseman of the Medical team in the Kingston Military Baseball League. When playing with the Queen's hockey team he made a name for himself as a goal-getter, and account ed for fifty per cent. of the tallies. In football he was a sure tackle and utterly fearless. When Box completes the trip across the Pacific he will have had the unique distinction of having travelled-around the world since the war began and while being on active service. He is a nephew of our townsman, Mr. R. E.

The deceased was 26 years of age and an employee of the Bates and Innes Co. The funeral took place this morning to Pine Grove cemetery. The family have the deepest sympathy in their bereavement.

Two Frost Brothers Pass Away

There is nothing that can so lift a man up—that can inspire him to as great achievement, as the feeling that he has at his side a woman whom he can truly love, whom he can fully trust, and at whose feet he may bow in highest respect. Among the many victims of la grippe who proclaim the value of Dr. Williams' Pink Pills is Mr. Amos Kaulback, of Petite Rivierre, N.S., who says:—"I was taken down with a severe attack of la grippe, or influenza. After a time the early symptoms of the trouble left me, but I did not regain my usual strength, and I had always been a strong man. There were times when I felt I could hardly crawl about, and I was so run down I could scarcely go about mybusiness. I continued taking medicine but it did me no good. Then I found the trouble was affecting my digestion and the disagreeable feeling from this added to my general misery. I was finally advised to take Dr. Williams' Pink Pills, and I decided to try them. I had only been taking the pills a few weeks when I found my strength returning, my appetite improved, and still continuing the use of the pills a few weeks more found me restored to my old-time vigor. I can most strongly recommend Dr. Williams Pink Pills to all who have vigor.
