## DEATH CLAIMS W. E. BELLINGER

The sad death took place yesterday of Walter E. Bellinger, of the firm of A. G. and W. E. Bellinger merchants of Windsor, at his home 75 John Street East Waterloo, death following an illness of one year's duration. The deceased was born in Wellesley and at the time of his death was in his 34th year. During his residence in town he made many friends who will regret to learn of his sad demise. To mourn his loss there are left three brothers, Alfred, and George of Windsor and Harold of Saskatchewan and three sisters who reside in Waterloo and to them the sympathy of the entire comminity is extended in this their hour of sore bereavement. The funeral will leave his late residence to-morrow (Thursday) afternoon at 2 o'clock to Wellesley where interment will take place.

## MUSICALE AND LECTURE ENJOYED

A most interesting Lecture and Musical was held in Calvary Church St. Jacobs last evening under the auspices of the Adult Bible Class and the large audience enjoyed the excellent program provided. The chief speaker of the evening was Rev. Peter Webster of Elmira and his address on "The Most Talked of Man in the Crowd," was an eloquent one and full of much humor. Particularly good were the numbers by the Octette composed of Messrs. J. Bruegeman, Gies, Stiess, Badley Sweitzer, Laschingler, Gabel and Schwartz. The audience were favored with vocal solos, by Mr. Laschinger of Elmira and Mr. Mistele of Waterloo their numbers finding much favor with the large audience. Miss Vera Bruegeman acceptably filled the position of accompanist.

The entertainment was one of exceptional merit and reflects great credit on the Adult Bible Class for giving the public such a high class entertainment. Quite a number were present from Waterloo as well as from the nearby towns and villages and all voted the evening one of the best they had ever attended

**TAXES COMING IN.**

Friday is the last day for the payment of the second installment of taxes and the past few days have been busy ones indeed, at the Molsons Bank where the taxes are payable. The collection so far has been a good one and there promises to be very little outstanding by Friday night.

Mr. H. J. Jenkins of Toronto was a business visitor in town yesterday.

Mr. and Mrs. R. Blain of Ottawa have returned home after spending several days with friends in town.

**OLD TIME DANCE NOV. 21ST**

The Labor Club have decided to postpone their old time dance one week, the event to be held on Friday Nov. 21st. instead of to-morrow night as intended.

## COMMISSIONS MET REPORT PROGRESS

Waterloo Housing Commission held a short session with the Dominion Tire Housing Commission this morning in Kitchener good progress being reported If arrangements can be made with Commissioner Ellis for a hearing to-morrow representatives from the Commissions including Kitchener will go down. If this can be accomplished it will greatly expediate matters. Now so far the Housing Commission are anxious to get started and there is no doubt but that the plans will be accepted by the Commissioner and all necessary detail completed within as short a time as possible.

Mr. E. Haberer was a business visitor to Elora yesterday.

## BANQUET TENDERED RETURNED MEN

Over 100 of Waterloo's returned men attended the banquet tendered to them by St. Quinten Chapter I. O. D. E. in the free Library Hall last evening and a real enjoyable time they had indeed. The menu was a most appetising one and the boys did full justice to the good things provided by the entertainment committee of the Chapter. The function was a purely informal one, and following the dinner the boys enjoyed themselves in music, the good old popular songs and choruses predominating. The boys had many reminiscences of their stay overseas to relate and while they were not all pleasant there were many little incidents that heeped make living worth while. The boys were loud in their praise of the hospitality shown them by the chapter and assured the members of the Committe it was a night that would ever linger in their memory as one of the most pleasant they have ever experienced.

## HARRY MILLS FOR CABINET

### Fort William M. P. P. Labor's Choice.

Toronto, Nov. 13.—At a conference of the Labor M. P. P.'s elect and officers of the I. L. P., held to-day Mr. Harry Mills, M. P. P.-elect for Fort William, was chosen as Labor's second representative in the Drury Cabinet. This announcement was made by Walter Rollo, the labor leader, at the close of the conference that was anything but a love feast and the choice of Mr. Mills is taken as clearing the way of his inclusion in the Cab inet as minister of Mines. and the head of a separate department now ineluded in the department of lands, forests, and mines. Beniah Bowman, the Manitoulin U. F. O. member, will hold the portfolio of lands and mines.

**Mr. McBride Protests.**

The disturbing element was introduced by Mayor McBride, of Brantford, who protested against the secondary place that Labor was being given in the Drury Cabinet. The new department of mines, he held, was a small one that was being created in order to permit the new leader to keep the more important posts for his own followers. Mayor McBride is reported to have declared that Labor would not have two ministers for some time to come since Mr. Mills could not be Minister of Mines until after the Legislature had met and passed the necessary legislation.

According to report none of the elected Labor members sided with the Brantford member though he did receive some support in the conference and the choice of Mills was a fairly unanimous one.

**Will Support Government.**

After the conference Mr. McBride said:

"We will throw no monkey-wrench into the machinery. It is up to Labor throughout the province to judge whether Labor has made a good bargain or not. The province must have good government. Individually we may have our opinions but collectively we will support the Government."

Mr. Drury intimated in message to the Labor meeting that he had practically decided to separate the department of lands forests and mines making mines a distinct portfolio. At the same time he intimated that Mr. Mills would be acceptable to him as the minister.

There will be a department of health, but Mr. Drury is linking up the department of labor and health under one minister.

## COMPLETE WORK BY END OF NOV.

PARIS, Nov. 12.—British and American delegations to the peace conference have expressed to the supreme council their desire to leave France early in December. The general impression is conference will conclude its work by the end of November.

Humanity has lacked a practical rheumatic remedy since time began. Fortunes are spent yearly at hot springs, electric baths and hospitals to obtain relief, yet better results are achieved right at home by using T.R.C.'s "the common sense treatment", just compare cost and results of T.R.C.'s with any other treatment and you will be convinced. Ask your druggist or write us for our new booklet; it is interesting and costs you nothing (Templetons, 142 King W., Toronto). We mail T.R.C.'s anywhere on receipt of $1.00.

## NUPTIAL EVENTS

### WILKINSON–WILDFANG

A wedding of interest to many in the Twin-City took place at the home of the bride's parents on Wednesday, November the twelfth. when Alma May, daughter of Mr. and Mrs. M. Wildfang, was married to Clarkson James, son of Mr. and Mrs. Clark Wilkinson, of Toronto, Rev. J. H. McBain, pastor of Trinity Methodist Church officiating. The house was beautifully decorated with ferns, smilax and chrysanthemums.

The bride was given away by her father and looked charming in a gown of charmeuse satin, embroidered with pearls, having a court train, lined with palest pink georgette crepe. The tulle veil was wreathed with orange blossoms, and the boquet was Ophelia roses, orchids and a shower of sweetheart roses.

The bridesmaid, Miss Evelyn Wildfang, cousin of the bride, wore a dainty gown of yellow crepe de chene, and carried a sheaf of yellow chrysanthemums. Mr. O. F. Dannecker was best man, and Master Walter Lint was ring bearer.

Mrs. L. B. Lint, of Winnipeg, sister of the bride, played the wedding march and during the signing of the register, Mr. J. Barnaby Nelson of Toronto sang "Because."

After the wedding luncheon, Mr. and Mrs. Wilkinson, left for Montreal and eastern points, the latter wearing a muskrat coat, trimmed with seal, the gift of the groom.

A very quiet but pretty wedding was solemnized at Bridgeport this afternoon at 3 o'clock when Miss Helena Birnstihl, of Bridgeport and Mr. J. Austin Main of Kitchener were united in the bonds of holy matrimony by Rev. S. R. Knechtel. The pleasing ceremony took place at the home of the bride in presence of the immediate friends of the contracting parties.

A pretty church wedding took place at St. Johns Anglican Church at 2.30 o'clock yesterday afternoon in which the principals were Mr. George Ball, city, and Miss Bessie Burnham also of this city.

The Rev. H. M. Lang-Ford tied the nuptial knot. The bride was given away by her cousin Mr. B. Burnham.

Miss Emily Ball a sister of the groom acted as the maid of honor Miss Annet Nichol was the bride maid.

The groom was supported by Mr. Robert Wheeler A reception was held at 121 Benton st. attended by numerous friends. The ushers were Mr. R. Gibbs and Mr. C. Gibbs. The groom's gift to the bride was a handsome gold wristwatch, to the bridesmaid and maid of honor cameo rings and to the best man a handsome stickpin.

The bride's gift to the groom was a gold watch-chain.

The bridal couple have the best wishes of many friends for a long and happy wedded life.

**ST. GEORGE KEEPS UP EFFORTS**

A deputation from St. George Board of Trade waited upon the Galt Board last night, in support of their claim to have the Galt-to-Hamilton hydro radial follow the St. George-Troy-Lynden route, which it is claimed, would open up a richer agricultural country.

The deputation received a sympathetic hearing, but the Galt Board could not see that it could do anything in the matter since Sir Adam Beck had stated that to construct the radial by way of St. George would cost $450,000 more than the route proposed, and since the Ontario Hydro-Electric Commission alone had the right to decide the route.

**Auto Accessory Industry.**

A plant on Argyle road, Walkerville, was purchased by a company engaged in the manufacture of brakes and clutches. The price paid for the building was $40,000. Operation will commence at this plant during the present month if preliminary work can be expedited to the extent contemplated by the company officials.

## BECK ADDRESSES MEETINGS

TORONTO, Nov. 11.—Sir Adam Beck will address a series of meetings this week in municipalities, which are to vote on bylaws for the Toronto Eastern Radial. To-night Sir Adam speaks at Brookline, to-morrow at Cedarvale and Oshawa, Thursday at Columbus, and Friday at Myrtle. He will be accompanied by F. J. Gaby, chief engineer of the Hydro Commission, who will submit figures with regard to the proposed system. Controller MacGuire will probably also accompany Sir Adam.

**Would You Like A Set of V. L. Colored Posters?**

If your name is on our subscribers' list we will be glad to mail you a set free on application to V. L. Headquarters, 6 Queen North, Kitchener.

Buy a bond and get a set of these beautiful pictures.

The following was handed to us under great strain of excitement by Harry Brown. After reading it you will have to admit tthat he is a wonder on writting "Pomes":-

Hi diddle diddle
The cat and the fiddle
Chairman Lang is chief of the Clan
The other Divisions
With all their pre-visions
Admit he's a wonderful man.

Protect your futurity with Government Security.

Three Canvassing districts out of eight have won Honor Flaggs already. They are:-
The Town of Waterloo
Township of Wellesley
Township of Woolwich.
There are two or three others who are due to go "over to-day". Hail! Hail! the gang's all here.

Reeve W. H. Knight of Wellesley Township who is also a Salesman of Victory Loan will take great pleasure in hoisting the Prince of Wales Honor Flag. He may be "as silent as Knight" but he is hitting on all six.

We have it on very good authority that several Bankers are leaving the small towns for an indefinite stay up North. Since the Victory Loan Campaign has started there has really been little for them to do. We hope they have a nice time.

The Citizens of Kitchener will have to double up their subscription in order that we may go "over the top." There are three days more, do it on the first of the three and then rejoice with yourself.

Don Pequegnat 'phoned in this morning to see if we could have his picture put in Jack Cannuck. We discouraged the idea although he did sell a Bond to a deaf and dumb fellah!

Well, now our hopes have all come back again. The Township of Woolwich "rung the bell."

One of Canada's coming Cartoonists Mr. R. A. Jukes is handing out some snappy stuff which would take a long time to pass around. Come on and see them each day in "Kaps" window. His first subject is well worth seeing on Victory Loan.

WHEN IS KITCHENER GOING "OVER THE TOP" ???

## TWIN CITY T. & L. COUNCIL

**Regular Meeting Held Last Night.**

The usual meeting was held last evening with President O. H. Hughes in the chair. The delegates were numerous, all the locals being represented.

**The Upholsterers' Strike.**

Four shops are still holding out. Most of the men have found positions despite the fact that efforts were made to stop other firms engaging them. A few are without employment at present, but it is thought that these will soon be at work again.

**The Steel Strike.**

Advices from the American Federation of Labor show that the strikers, some 400,000, are still solid for their demands. Nevertheless funds are needed to feed the families of the strikers who intend to win out.

**The Labor Day Celebration.**

The balance sheet showed big receipts, also big expenditures, but a good celebration was held and there was just enough to show a balance on the right side. Possibly the Council will be asked another year to assist, as this is done in most other cities of the Province.

**Labor's Success at the Polls.**

Dr. Hett, returning from Toronto, reported that two portfolios in the Cabinet were to be allotted to Labor representatives, Walter Rollo, (Hamilton), Minister of Labor and the Minister of Mines, whose name will be published in a day or two with the other cabinet ministers.

**Re Name Changing Petition.**

A petition is being circulated to get the name of the city changed. It was moved, seconded and unanimously carried that this Trades Council condemn the move as promoting ill feeling and being detrimental to the commercial standing of our city.

## ARMISTICE DAY AT PUBLIC LIBRARY

Armistice Day was celebrated at the Library. It was the regular story-hour for the older children. The story was one of the Robin Hood series, but the pictures shown afterwards were suited to the day, and, as a special treat the children were allowed to express their patriotic feelings in the clapping of hands. There was considerable noise for so quiet a place as the library, but Armistice Day only comes once a year.

This evening the Janey Canuck Club meets in the story room.The membership of this Club is made up largely of teachers and office girls, but it is by no means limited to that class. They are studying this year, Famous Women of History. Miss Ida Hohner and Miss Irene Berlet will have charge of the programme this evening, and the subject is Marie Antoinette. Meetings are held every other Wednesday evening, and applications for membership should be sent to the President Miss Anna Lee, or to the Librarian.

Have any of your readers, Mr. Editor, a stereoscope and a pile of stereoscope pictures relegated to the garret? If they have, we could use them to great advantage at the Library, for pictures of that sort never go out of vogue with little Children.

## KAISER'S DENTIST LEFT ESTATE OF $100,000

TORONTO, Ont., Nov. 12.—William Robert Patten, former attending dentist of the ex-emperor of Germany and brother of Mrs. W. D Carlyle, of 187 Gerrard Street, East, with whom he lived while in Toronto prior to his decease in London, Eng., Feb. 26, 1919, left an estate valued at $100,-256.21.

The will, which was drawn by a Toronto lawyer in December, 1917, has been admitted to probate and names as executors the Toronto General Trusts Corporation, Thomas W. Carlyle, Bank Manager of Cobalt, and Annie Louise Carlyle, Spinster, of Toronto. The estate consists principally of Bank and Mining Stocks in Canada.

## LITTLE LINERS

**THE PEOPLE ASKED FOR IT.**

The Hamilton Herald in a sentence before its admission that the proposed Hamilton Elmira electric railway will be a benefit says: "Sir Adam's disciple in the city council wil of coure hold that to hesitate when Sir Adam says the word would be a sin, and anybody who questions the fairness of Hamilton's treatment will be denounced as a tool of the Big Interests and an enemy of public ownership.

Doesn't the Herald know it was not Sir Adam, but the people themselves who asked for this railway.

**Victory Loan Special Subscriptions**

Owing to the impossibility to get the matter into print some Victory Loan notes had to be held over. Kitchener's special subscriptions total $[illegible],000, and Waterloo's $6,450,350.

**A Hamilton Roorbach**

The Hamilton Spectator of yesterday says a rival Hockey League composed of Hamilton, Brantford, Kitchener and Toronto may be formed in opposition to the O.H.A. brought about by the suspension of two of the Tigers' players. The rumor did not find much favor, in fact was laughed at by prominent supporters of the local senior team. There's nothing to it said one who is enthusiastic this morning. The Kitchener Amateur Athletic Association will stick to the O.H.A. as long as we continue to get a square deal.

**Appointed to Toronto Staff**

Miss Ida Warwick, of this city, has been appointed to the Toronto Public School staff.

## OBITUARY

Friends of Miss Susie Ayer, a former resident of Kitchener, will regret to hear that she passed away on October the twelfth at her home at Lac Vert, Saskatchewan.

Miss Ayer taught the kindergarten of Courtland Avenue School., for a number of years and was beloved by pupils and parents., while her record as a teacher was that of being earnst, faithful and conscientious. Miss Ayer also took a deep interest in the work of Trinity Methodist Church of which she was an active member.

Since coming West, Miss Ayer has taught in Battleford. It was during the Flu Epidemic when, the school being closed, she nursed the patients in the Emergency Hospital, that Miss Ayer had a breakdown which, after months of suffering, resulted in her death.

## CHOIR AND SYMPHONY ORCHESTRA SCORED LAST NIGHT

Another musical success was recorded in the city last evening. The credit belongs to the members of Trinity Methodist choir and Symphony orchestra, to assisting talent, and to the able director, Prof. George Ziegler.

Last evening they put on a program, a treat in itself. Parallel with it was the manner in which the numbers were rendered.

The appreciative audiences of past years recall the brilliant successes put on here by Prof. Ziegler and local talent. To equal those events of history is a difficult task, but last evening the mark was made. The vocal and instrumental parts were perfect in every way and to every degree. The ability in music and the art of using it for the benefit of a critical audience were again in evidence.

As to the various numbers and the contributing artists, a further reference in to-day's issue could unfortunately not be given.

## CRASH AND STOCKS DROP

**Demoralization After Advance in Money Rates.**

New York, Nov. 11.—The towering speculation structure in the stock market reared by professional the last month on a foundation of "easy money," toppled over to-day when call loans rose to 25 per cent, the year's highest figure, and the maximum since December 27, 1907.

Losses of five to almost 40 point were sustained by many leaders in the recent rise, especially steels equipments motors, and oils. Numerousother industrials, which accompanied the October boom, also crumbled in to-day's convulsive monement.

Almost the only stocks to escape the drastic liquidation were United States Steel, which lost only a fraction of a point, and the high grade railway shares where reactions were equally nominal.

**An Early Advance.**

The reaction, which effaces the many sensational gains of the October rise, was the more violent and sweeping because it followed an opening advance of two to six points, based on the calling off of the coal strike.

In point of fact that development favorable as it appeared, exerted only temporary influence, prices falling back within the first hour. Even before call loans opened at 14.6 per cent, the year's highest initial rate, the market began to sag.

Selling of a substantial character followed the publication of first foreign exchange rates, these foreshadowing the subsequent acute weakness in that market. In the course of the session remittances to London Paris and Italy broke to discounts never before recorded in this market.

**The Final Hour.**

Not until the final hour, however, when call money rose to 20 per cent and then 25 per cent did the stock market become actually demoralized Large blocks of speculative shares were offered "at the market" or for any price offered. In the main, final quotations were at or within fractions of the day's lowest quotations So extensive were the offerings at the close that the ticker was some 20 minutes behind in recording the day's operations. Approximately 2,00 0,000 shares changed hands, almost one-third of the day's business being transacted in the last hour.

A canvass of the financial district after the close of the market disclosed a preponderance of bearish sentiment. In banking circles however, relief was felt that many stock holdings had passed from weak to strong hands. To that extent it was added, the markets technical position was vastly better.

Representatives of the Federal Reserve Bank at Washington, including Governor Harding, were in town conferring with officials of the local institutions and the executives of leading national and state banks. Governor Harding declined to express an opinion on market conditions beyond the statement that the situation seemed to be "well in hand."

When I realize the great number of ambitions most men have and consider the size of them, I am ashamed at the small number of my own. The greatest is to own two pairs of suspenders at the same time. I have never owned but one, and have always longed for two, the extra pair to be on my extra pants when I am ready to put them on.

## How Much Tobacco Will My Hea

*A Question Vital to Every Man Who S*

IT MAY COST A PRECIOUS LIFE TO FIND OUT BY EXPERIMENT.

The heart of every user of tobacco bears a double burden. It does its allotted task when it loses he dies, but before the final victory of nicotine you pass through many stages of decline and decay you suffer many pangs. Hearts are like human beings—some are stronger than others; therefore, some hearts will stand more tobacco than others, but there is a limit to what any heart can stand. The man who puts this additional strain on his heart a dozen times a day by smoking cigarettes, a pipe or cigars—or chewing tobacco—is taking a desperate chance with health and life to lose and nothing to win, but the chance that he may not lose them. He is indulging in a costly habit at the expense of precious health. Ask any doctor anywhere, and he will tell you that using tobacco is injurious and that it is far better to quit the habit than to experiment to find how much tobacco your heart will stand without serious results.

But the thought of quitting is unpleasant to most men—even to those who know that tobacco injures them—and to really quit takes more will-power than the habit and causes more suffering than they can voluntarily endure. To quit the habit make it e ting Nicotol ta directed. The h its departure is indulgence.
